JOKERS---In may we are holding graduation for our Jesters. Baby you have all come a long way, congratulations! HANSON's have a new baby boy born March 16. Hurry back BOB & MARILYN, we miss you. The Camping Entourage hopes to have beached a Woodward in April, come rain or shine: the event, the 1st camp out of the year. Can't you see the fires at night & the Stars reflecting on the water. AH What a weekend. Ask the Snow Enthusiasts about their continuing Saga. Did you hear about the one room in the middle of Three doors and no lock? Went something like "Let's Make a Deal". Which door do you pick? Then there were some in the group who felt as if they were the "Donner Party". It took all night to get down from the mountains. Oh and JOHN WHITE found his way out of a snowbank & then slid and slipped into a two truck. Just what he needed". Hey, wasn't the party the Jesters gave a Dandy? Thanks to all who helped Canoe trip date is just about set. Waiting for good ole summer weather to arrive. Happy Mother's Day to those who are & Aren't..  
.....C.C.

GADABOUTS---April was highlighted by a most successful 17th Anniversary hoedown with out-standing calling and eats. Wow, what food! Thanks to the Belle Swingers, and ED SAUNDERS, their caller two and a half squares of Gadabouts had an enjoyable evening as their guests. May promises to be a traveling month again. Two and a half squares are rarin' to go to Reno for the Silver State Festival and probably three squares will make it to Visalia. Who says there is an "energy" crisis?.....GUS & JERRY

STAY AT THE NEW KUHIO HOTEL—HEART OF WAIKIKI  
FLY WESTERN AIRLINE'S SPECIAL PLANE FOR SQUARE DANCERS

CIRCLE SQUARES---The club's March Tahoe Trip was a huge success. Even the bus trip was fun with singing, story and joke telling and even a contest over a bag of jelly beans between JUNE ALLWARDT and CHUCK ACELIN. Everyone enjoyed the big square dance hoedown in Tahoe including the after party in the casino and midnight show. A few hearty souls went skiing the following morning. It was a total weekend of fun and fellowship. Our next social activity is a family weekend camping trip between May 31st and June 1st by Felton. We are planning a second family camping trip in September. The club is putting into high gear plans for our big Aug. 24th hoedown at Herman School. We have two great callers CHUCK ACELIN and JACK MURTHA. We would like all our friends to be there and have a good time with us. Our club is growing in leaps. Four couples have joined in the last few weeks. We are glad to welcome FRED & CHARLOTTE SLATER, PETE & CLAUDIA PETERSON, HARVEY & HOPE HAMILTON, & ART & BILLIE FELGENHAUER. We welcome all new people that like to square dance and have fun. We have a new pair of corresponding secretaries in MARY BROWN and LEO ARENS. We would like to congratulate them on their new office. Congratulations to ROBERT JORDAN who was unofficially declared to have the best swinging hips in square dancing. Congratulations to our youngest members RENEE ACELIN and PAUL CLIBY who will be graduating from high school in June.....GARY EVANS

BRAD: "I've found this great job. Good salary, free health and accident insurance, paid holidays ..."

## From Stan Burdicks - American Square Dance Magazine

This may be a good time to assure all clubs that the troubles they are having with finances are shared with other clubs.

All clubs have found, or will soon find, that inflation does finally hit club finances too. We find hall rents have gone up, many callers are adjusting their fees to the higher costs of living, and in general it costs more money today to keep a club going.

It might be wise then for us to consider the fact that even if the cost of square dancing is going up, it is still much cheaper than bowling, movies, ballroom dancing, bingo, and most any other hobby you may think of. Sure it is going to cost our dancers a little more, and no one likes that, but it is a fact of life we must face. It is better than sitting at home and wishing you had something to do.

I hope we can all accept it and keep those clubs going strong. Just rest assured, it isn't only your club that has this problem.

# FROM THE DESK OF Ken

Just got home from a three day trip to St. Louis Missouri, and it's time to write again .. Write on McDuff!

Audrey and I had the honor to be invited to attend and become members of Callerlab. They held their First International (invitational) Callers Convention in St. Louis, Missouri April 8-9-10. We flew the Red Eye Special (left S.F. at 1 AM) On board were fellow callers: Jack & Thelma Murtha, Bill Davis and Bill Stapp. We had a nice discussion till arrival time (6 AM). The only sound in the whole plane came from the callers. Man, we were talking up a storm. Got quite a few shhh! ... from passengers who were trying to sleep (including our wives) but that didn't stop us we kept right on yaking.

Dick Houlton, Jim & Dottie Hilton and Bill Peters were also present, making a good representation for Northern Calif. Bill Peters, who is on the Board of Governors of Callerlab, made a presentation on Caller Accreditation. Also a program was presented on limiting the "Mainstream Basics" to eight or less per year. This could be the answer to limiting the amount of new material (name-wise) that appears each month. The trend now seems to be to combine two or more basic commands and give them a new name. What a waste of time and talent. Too bad it isn't put to better use. More on this next month.

REMEMBER JULY & AUGUST ISSUES OF SQUARE DANCE NEWS WILL BE COMBINED FOR THE SUMMER. Make sure we receive your news & ads by June 1st. for this combined issue.

## Definitions:

**INSURANCE ACCOUNT EXECUTIVE:** The broker's big gun for important customers. He is, by his own admission, on a first name basis with all insurance company presidents and top Lloyds' underwriters. Frequently uses sophisticated terms such as PML, retrocession, collateral penalty minimal currency, etc. He drives a Volkswagon even though he says he has a Continental Mark IV at home. Usually identifiable by his suede shoes in December and the dry hair look. Many of them reportedly smoke strange smelling cigarettes that have no label.

**CLUB PRESIDENT:** A person who can make quick decisions and is sometimes right.

**COMMITTEE:** The unwilling, recruited from the unfit to do the unnecessary.

Coming Soon! The California State Convention at Anaheim Convention Center, next to Disneyland, May 24-25-26th. Also the 23rd National Square Dance Convention at the Hemisfair Convention Center, San Antonio, Texas, June 27-28-29th. Why not plan on Attending one.

KRAZY DAZY's---"We are all so happy to be back dancing at our "old Stomping" ground and once more Hyde School will be the Wed. night home for the Dazys and their friends. We all owe a big thank you to BARBARA who helped make this possible. Our party nite was a huge success with guests from the Twirling Sands and their caller JEANNE FISHER, the Dudes and Dolls and their caller, ART DAVIS plus our own favorite caller BRAD, plus all those delicious home made cakes, it was a winner. Seems we are just having one busy fune time after another - a picnic trip to Frontier Village where besides dancing everyone enjoyed the rides, particularly the canoe ride. Then there was the bus trip to Salinas with fun dancing to MARSHALL FLIPPO. Its a rather unique experience to win the door prize and find out you won a door. Happened to our Pres. BILL MACDONALD at the Single Badge Dance. A big welcome to new members TONY and SHARON ANDREWS, and DORMAN and HELEN HILL - Happy days ahead. Bouquets to JIM and THEL JOHNSTON for their efforts in recruiting new members.".....DORIS

SINGLE SQUARES---Our annual Twirp Dance was held April 4th. Some 10 single clubs were invited to help us celebrate. On this night women ask the men to dance and keep track of the dances on a card. After the women are to treat the men to pizza and beer. Our Party Planner took that big step--she was married at Moffett's Chapel April 6th, best wishes, SUE & LES. A long-time member and dear friend, JOHN ROSHEIM, aged 78, passed away in his sleep on March 23. He was such a warm and friendly person and a delight to dance with. "Do you know the way to San Jose?" theme for our 8th annual California Single Squares convention to be held in San Jose on May 17,18,19 at the Le Baron Hotel. We are all looking forward to that time. **BEACHNUTS**---Our Newer Dancers Hoedown was a blast. Food was delicious, attendance just right, and the calling of guest caller **GEORGE DREIER** and club caller **HOWARD HILLYER** was great. The dancing level of new dancer hoedowns at this time of year is such that even old timers can enjoy mixing with the newcomers. Our class is really shaping up fine. We have lost very few in the last seven months. Graduation is scheduled for early May, and it looks like we will be getting a great group of active dancers into our group. The next scheduled activity will be the May hoedown. Already plans are under way to welcome our friends to the cool and comfortable Coastsides.....**GRANT**

**TWIRLING SANDS**---Our snow trip to Blue Lake Springs near Arnold was the best ever. The accommodations were superb. We enjoyed dancing with the Krazy Dazys with **BRAD BRADFORD**, **ART DAVIS**, and our own **JEAN FISCHER** calling. KATYDIDS---A really big crowd was on hand for our Newer Dancers Hoedown and great time was had by all. Never let it be said that the Katydids, don't provide something for everyone, even the streakers (ask KENNY, he says he only got in the tail end of it!) Our party night was almost like a hoedown to, with lots of people, food and two good callers. Our class and club together began the evening with a pot-luck dinner. Soon after we began dancing, we found ourselves in the middle of a raid by BOB SOUTHERN and his Slmaden Squares. BUD and LOIS HILER were back with us too, tho not dancing too much since LOIS is still recovering from an auto accident. MAXINE VIEWEGER is still out after a second surgery. Right now we are looking forward to another great Mystery Bus Trip. Also looking forward to many of you visiting us on Friday nights.....

HIGHLAND HILLBILLIES---JAY & HELEN REEVE are our Pres. and First Lady, respectively, for the first half of the year. A progressive dinner, to honor the Old and New Boards; was a great success, and a charter bus trip to Tahoe on the weekend of March 23/24 was really something else! 19 couples managed to lose sleep and money, in some cases! KEN & AUDREY are putting a new Beginner's Class Through their paces on our regular Club night; and the members are working with them and we hope these fine new couples will decide to join our club. Speaking of new members: we welcome HUGH & BETTY DAVIDSON, EARL & MOLLY BUTCHER, MARINUS & ALICE VERKIRK, and BOB & IRENE KENNEN. Party night, we had a great turnout, of three guest clubs. The Krazy Dazys, Lucky Steppers, & Hayshakers. Everyone had a great time, and we thank these clubs for making our evening great. Our next big club effort is planning our June 8th Hoedown, headlined by JOHNNY BARBOUR and his father, a really great duo. We hope to have a large crowd.....NO NAME

KORN KRACKERS---Congratulations to BERT CAPLAN our new club Pres. for 74. Best wishes are also extended to the rest of our newly elected officers BOB BEDARD, JAN SERIO, DAVE VAN BOLT. We extend a warm thank-you, to our retiring pres. ED SCHMALZ, and the officers that served with him during the past year. We had a great party night with the Castoffs and the Boot Swingers coming over to dance with us. Our beginning class the Korn Stompers will graduate this month. Don't forget, Purple Bubble Ball coming up soon.....BETTY

There are many good books about our activity. They are available to help us improve our understanding of the whole picture of square dancing..basics, styling, organization, problem solving and avoiding, ideas, sewing for square dancing, round dancing, and calling and teaching helps. A few of them will be presented in this spot from time to time.

All of the books reviewed this month are available, plus tax and shipping, from Gene & Mary Lou's Dance Supply, 1367 E. Taylor St., San Jose, Ca. 95133.

ADOBE WELLDIGGERS---We are happy to welcome four new couples to our club: GENEVA & BILL ANDRES, FRAN & MATT MATTINSON, ELVA & CHUCK BAKER, and IONE and JOE YETKA. Whoops! Our train trip to Salinas turned out to be a Bus trip due to the energy crisis and so many people using the trains now. No matter, everyone had a good time. The Fifth Tuesday last month was celebrated by attending a special dance at the Bows and Beaus in Mt. View. These Fifth Tuesday dances are becoming quite a fun time for all who attend. We do enjoy getting together with other Tuesday night dancers and visiting their clubs with a different Host each time....KAY & WILL

We are also looking forward to DON THOME's return to the dance floor. We have missed him while he has been ill. A sizeable group from the club will be attending Silver State in Reno. Have a great time all of you. We were raided by the Castaways a few weeks ago. Since our traveling banner had disappeared, they graciously accepted our club I.O.U. instead of taking our caller, KENNY STEEN. We expect to have a lot of fun when we raid the Castaways to redeem our note. Don't forget to mark your calendar for our 25th Anniversary Aug. 17th with JERRY HELT. Hope we see you there.....BARB

Many many thanks to DOUG PERSSON and his board for the grand job they've done. Everyone had a great time in Reno, all three bus loads. Ask JACKIE PLAYER how she likes Reno, and what she is going to do with all that money. It is good to see MARV STARNES at club again after surgery. No dancing yet, but she looks great. ALMADEN SQUARES---The club will be blacking out on May 17th to support the California Single Squares Convention and one of our members, DON HAMM who is the current President of the Calif. Singles and he warns us that the dance will be crowded, but a good dance is always worth the effort. We enjoyed the recent Roadrunners Dance in San Mateo, called by BILL DAVIS and our own BOB SOUTHERN. For all club dancers, come and bring your friends to our next advanced basics class. Watch for our ad in the July/August issue. We extend an open invitation to you and your friends to help us enjoy BOB's smooth calling style on any second Friday at Los Alamitos Rancho..

Thanks to ED SANDERS for his excellent calling for one entire evening for us while HAROLD was away. We were sorry to hear of DOROTHY MILLER's back problem, but so happy to have ED MANGUS's recovery so rapid. The Melody Squares showed us such a good time with lots of fun dancing and delicious food, we'll be anxious to return for another visit soon. Lots of popcorn will be enjoyed April 19th when the Almaden Melodrama will be invaded by us. The rumored streaker attending Tahoe with us is losing weight in anticipation of his coming debut.....

A group of us boarded a chartered bus Sunday morning March 24 and headed down to Salinas along with caller KEN TRIMPEY and attended a hoedown at the Armory hosted by the Hot Timers. After returning to San Jose, we stopped for dinner. All in all, a fun time for all us. Our newer dancers graduate this month and a big party is planned for them. They have been a real fun group and quite lively, too. They will be around to see our annual Star Spangled Hoedown which is heading this way again June 1st. (See ad in this issue). We have all been busy putting it together and hope that it will be bigger and better than ever....CAROLE

HARBOR LITE FOOTERS---One beautiful Saturday all of us climbed into DON & RUTH GARRARD's mini-home bus with our caller GENE ARNOLD doing the expert driving and away we "flew" to Salinas to a great hoedown with the Hillbillies. Lots of good food and great dancing made possible by JEANNE MOODY and our caller GENE ARNOLD. Our party night was a big pot luck dinner...such good food and so much, that we could hardly dance afterwards! It was so nice to see old friends and meet so many new friends at our Spring hoedown in April. Do come and visit with us on Thursday nights and dance a "Square or two". Happy May birthdays to SHELBY LONG and LINDA THURSTON.....BOBBIE

TAW TWIRLERS---"April Fool" was celebrated at our 5th Friday Hoedown, Mar. 30. and were we ever fooled as we walked in and saw all the Xmas decorations. Whata clever idea, thanks to BOB & LOUISE PARKHURST. To make the evening more fun JOHN STRONG called a wonderful dance. At the end of the evening our TAW TWIRLERS gals served their famous buffet. We enjoyed having so many guests, and hope they will dance with us again. We have changed our dancing time. We round dance from 8:00 to 10:30, but we still dance every Friday night at the Marina dance hall, come and dance with us any time. We are now planning our next 5th Friday Hoedown, May 31st. with RON WELSH at the mike, this should be a fun dance too.....ELLIE

SUES 'N QUES---First we would like to thank everyone who came to our "Go Fly a Kite" Hoedown. You made this the greatest Hoedown our club has ever had. The hall was packed with 40 squares. A special thanks to the Star Rounds and the Farmers & Farmerettes. Approximately eight squares came from each club. The Farmers and Farmerettes came all the way from Newark in two busses on a mystery hoedown of the evening. Sure glad you found your way to our hoedown. To all the Sues 'N Ques who helped in promotion, in decorations (so many kites they overflowed into the diningroom), in door prizes (the beautiful plants donated by BOB MOORE of ROBERT MOORE Flowers in Mt. View, on the food committee (an abundance of beautiful, delicious food, more than enough for all, thanks especially to SNOW MESSIMER), to those who served on the door and to those who served on clean up, to RAY REMMEL (our chairman) and how about those callers-- KOIT TULLUS and our own JOHNNY BARBOUR. We thank you all.....CAROLYN
