JOKERS---The last camping trip found 14 families enjoying the lake and the 750' water slide, adults as well as the children. While at Oakwood we were joined by another traveling square dance club, the Gadabouts, with caller JOE JOHNSTON, all joined together for a delightful evening of square dancing. Another new camping place was scouted by caller JOHN WHITE and a few others in Sept. The annual barbeque was a big success, with chef JOHN WHITE presiding at the pit with former member BOB BROWN assisting. The members, as usual, brought much food and all waddled away from the tables for a few tips before going home. JIM TRELEAVEN is working overtime getting his new business, Sierra Camper Service underway. He does manage to get in a few hours of square dancing each week. After dancing at the County Fair, about two squares of us turned out to dance at Pruneridge the week of Sept. 8, which was square dance week.....BL

'President's Message'

As we began writing this message, our last to you as President, we couldn't help but reminisce about this past year which we began with mixed emotions. However, it has proved to be one of the most eventful, to one of the most satisfying years we have experienced. Through this article we have become acquainted with you. We have heard from you -- both favorable and unfavorable, but we have communicated! It is not easy being President of such a large organization and therefore, we feel one term is enough. The Association needs fresh and new ideas to move forward. We have tried some new ideas this past year, which we think will be continued, but without your support they would have been difficult to accomplish.

We will continue to see you across a square and we will be along side you in supporting the incoming board. We know how much that support means. We had board members who had to travel a long distance to make our board and delegate meetings and who gave unselfishly of their time. We are extremely grateful to them. With concentrated effort you can do wonders, let's not forget that in promoting square dancing.

October 10, 11, and 12th, is just around the corner. Hope your club is 100% in attendance. Don't hesitate to say a 'Thank you' to any of the Jubilee Committee who worked so hard to make the Jubilee enjoyable for you; try it, and see what happens to their faces!

Sacramento will be hosting its annual dance, the Harvest Hoe-down, the end of October. We'll have just enough time to recover from all the Jubilee dancing to get those dancing feet in shape for the Capitol!

Remember the Innaugural Ball, November 2, 1975. The ceremony is very interesting, the dance is delightful, the food is delicious, and the companionship is FANTASTIC! See your SCVSDA Director for tickets.

We recently received word that the housing accommodations for the 25th National Convention in Anaheim, June 24, 25, 26, 1975, are filling up fast. Plan now to attend, you don't want to miss out on any of the planned activities.

See you in a square!

How about you?

SURF TWIRLERS---A great time was had by all at our annual club picnic held at Delaveaga Park. We had a little trouble dancing however, after consuming all that gorgeous food - WOW! Getting ready now for the family camping trip over Labor Day Weekend. It will be at the 49ers Campground, Plymouth, Ca. with plenty of activities for all - swimming, tennis, cocktails, fishing and, of course, dancing! Should be a fantastic trip. Our new beginner's class starts Sept. 10, so let's get everybody out and show em what they're missin.....JANIE

CALLERLAB-- The International Association of Square Dance Callers, is still young but already it has accomplished or is in the process of accomplishing numerous forward steps for the square dance activity.

CALLERLAB has 17 active committees. One of the newer ones, headed by LEE KOPMAN of Wantagh, New York, is setting out to determine a workable system of identifying the various levels of square dancing. Because the terms "fun" level, "low" level, "high" level, "intermediate" level, etc., mean different things to different people, it's almost impossible for traveling dancers to find a dance in a strange city that features the type of program in which they feel qualified to participate. Traveling callers, coming into an area new to them, may be told to call a "difficult" dance only to find that the area is inexperienced square dancewise, and "difficult" to them would be considered "mid-level" in most other regions of the country. And so it is that this Committee hopes to develop a method that can be adopted universally. With such a system the annual National Square Dance Convention, as an example, can label its various halls in such a way that every dancer and every caller attending knows exactly what to expect. It's much needed program and hopefully a solution is not too far off.

The CALLERLAB Quarterly Movements Committee headed by JACK LASRY, Miami, Florida, has announced that two movements have been selected for the Mainstream Workshops and Dances for October, November, and December, 1975. The selections are: Pass the Ocean... Ferris Wheel. The Committee feels that the selections should prove popular as both figures have been high on the pulse polls of various square dance magazines and were strong in the voting by the Committee. It is the Committee's hope that all callers will include the selected figures in their Mainstream Dance Programs for complete evaluation by dancers everywhere. In addition to these two, the Committee suggests continued usage of its last selection, Transfer the Column.

Here are the descriptions and drills for the Quarterly Movements selections: Pass the Ocean... The action in Pass the Ocean starts with facing couples. The dancers pass thru, then turn to face their partner and step into an ocean wave. The figure is smooth and easily used to set up a desired ocean wave. When used by facing couples in lines of four the square ends in two parallel ocean waves and when started from an eight chain thru position the set ends with the ocean waves end to end in what has been referred to as a "tidal" wave. If the dancers are in normal boy-girl couples then the action of a Pass the Ocean equals a star thru and step into a wave..... Examples: Heads lead right... Circle to a line... Pass the Ocean... Girls trade -- Swing thru... Turn thru -- Left Allemande... Heads square thru four... Pass the Ocean... Swing thru -- Spin the Top... Right and left thru -- Dive thru... Square thru 3/4 -- Left Allemande.

CLUB OF THE MONTH

Terry Waldon

Club Caller

Meet at Loyola School
Berry Ave. Los Altos
Thursday Nights 8 PM.
Mail: P. O. Box 956
Sunnyvale, CA 94088
Information: 226-2345

For nearly 18 years visitors to the Spinning Wheels have been able to count on dancing at Loyola School in Los Altos, the same location at which members first convened with caller Don Hills on an auspicious evening in November, 1957. Through the years when charter members left their fellow dancers it was mostly for better job opportunities, personal family situations or pleasant retirement choices. Once in a while when ill fortune intervened, a strong bond of friendship helped console the bereaved member.

Currently we can boast of several couples who have been with us for over 15 years, having danced to the challenging calls of Don Hills and his successors, Jim Fusaro, John Davis and Terry Waldon. Terry is an accomplished young caller with a warm and friendly manner, able to guide the club as did his predecessors, toward ever higher skill levels while still having fun.

Even if we are not the very best club in the Valley, as many of our members believe, we think we have a record that will be mighty hard to top. Our September beginners' class each year adds proficient new dancers to the club. This spring Terry graduated 24 very welcome newcomers to the club. These new members soon learn that Spinning Wheels are not content with 75%, or even 90%, of any endeavor. We always aim for 100% achievement! Here are some recent examples: 100% subscription to SCVSDA Jubilees, 100% bond purchases for the 1976 National Convention at Anaheim and 100% subscription to the Square Dance News. The club already has 22 couples preregistered for Anaheim and is striving for 100% representation there too.

Our socially compatible members comprise a wide range in age and background, yet we have many kindred interests which make club activities pleasurable for everyone. We're gadabouts! Whether the Silver State Festival in Reno, the Cup of Gold in Sonora, the State Convention in Sacramento, the Golden State Roundup in San Francisco, the National Convention in Kansas City or even the Hawaiian State Convention in Honolulu, Spinning Wheels members were there! Bright yellow club dresses trimmed in black and white were prominent in Reno, where 18 couples danced over the weekend.

Members frequently remark about the pleasure they experience when they share their love of square dancing with others, as in exhibitions to entertain patients in the Veterans Administration Hospital, convalescent centers or homes for the aged. The familiar leather badge of the club can always be seen at events promoting square dancing, as at the County Fair and at public exhibits during National Square Dance Week. This year, on October 18, during the United Nations Folk Festival Weekend at the Fairgrounds, the Spinn-

ing Wheels were one of two clubs in the area invited to represent square dancing. The club badge can also be seen appearing nine times on the SCVSDA Buckskin, two times more, at this writing, more than any other club in the Association.

We feel it's great to belong to the Spinning Wheels! Come by and see us when you are in the vicinity of Rancho Shopping Center off Foothill Expressway in Los Altos. Come, also, to one of our celebrated semiannual Hoedowns - the Shamrock Shuffle each Feb. and the Turkey Trot each November. We'd like to know you and hear about your club, too.

One more thing - despite all the above mentioned accomplishments and attributes, the Spinning Wheels remain an exceptionally modest and humble group.

Ferris Wheel---The action starts from two parallel, two-faced lines such as those resulting when dancers in an eight chain thru position do a swing thru and centers run. The couple facing out in each two-faced line will do a normal wheel and deal action for that position and when the figure is completed will be the trailing couple in a double pass thru formation. The couples facing in, in the two-faced line, will move forward to a couples 1/2 a circulate position and for a moment form a new two-faced line in the center of the set; then the center two-faced line will wheel and deal and the center couples will end as the lead couples in a double pass thru formation. Examples: Heads square thru four...Swing thru...Boys run...Ferris Wheel...Centers pass thru...Left Allemande...Heads square thru four...Swing thru -- Boys run...Couples circulate... Ferris Wheel -- Zoom...Centers square thru 3/4...Left Allemande...

MELODY SQUARES---Vacation trails have brought most of our members back, tanned, refreshed and excited to be back. Between tips, the floor is filled with excited conversation about the Caribbean, Canada, Square Dance Camps, and coastal fishing. LOUIE LEMAS & FRED CHAPPELL have quite a fish story to relate. Quietly trawling for Salmon, they found their calm broken by a whale of a splash as a really big one broke the surface near by. How close? Close enough perhaps to look for another fishing spot. We raided the Skirts and Flirts and had a really great time. Dancing to the calling of HAR-OLD FLEEMAN and JACK PETRI gave us a taste of what is in store at our Oct. 18th Hoedown, when they split the bill. Save the date, it promises to be great.....MARLENE & HANS

TWIRLING SANDS---We are now meeting at Westwood School, 435 Saratoga Ave., Santa Clara, the club selected a new club dress which we will begin wearing in October. The big event for Oct. is a hayride Sunday, October 5 at Coyote Ranch, preceded by a barbeque and square dancing, of course, with ELLI d'INNOCENTE in charge of arrangements. During Sept. the Twirling Sands joined with a number of other clubs in a square dance exhibition at Westgate, shopping Center. And for those who like to look ahead, we are planning our anniversary hoedown for Sat., Nov. 8, at Peterson, High School in Sunnyvale.....LIBBY

Notes from the California Square Dance Council Bulletin ... August 1975

The float for the 1976 Rose Parade in Pasadena is not going to float! The Rose Parade Committee has given us (square Dancers) a run a round since the first of the year said CHARLES NADDO. The Rose Parade Committee would not commit themself to answer vital questions and time ran out. All unsold tickets should be returned, moneys will be accounted for, expenses incurred. It was a good try but you don't win them all. Maybe next year.

Finally! The California State Council has agreed to go along with 23 other states in designating the third week in September as National Square Dance Week, September 13 to 20, 1976. United we stand ... Divided we get "Sorry Charlie!"

Muir Elementary School at 6560 Hanover Drive, Cupertino, is having a Country Fair on Sunday October 19th. There will be fun for all and FREE Square Dancing at 2:00 P.M. Why not join them for an enjoyable afternoon.

"Special 5th Night Get Togethers". We received the following info. The Tuesday night clubs 5th Tuesday get together will be hosted by Melody Square on Sept. 30, 1975 at Roger School in Santa Clara. The 5th Tuesday in March...3/30/76...will be hosted by the B & B's in San Jose area.

We have been hearing a lot of unfavorable comment about dancers kicking in Allamende Lefts and Right & Left Grands. This is a real dangerous thing to do. It might seem like fun at the time but if glasses are broken or dancers get kicked, which has been done, it might become very expensive fun for the kicker. You could end up in a law suit or with a mouth full of knuckles. Crowded dance floors are not the place for kicking. Let's keep Square Dancing what it should be, a clean healthy, wholesome activity. Teens please be considerate of other people.

RAFTER ROCKERS---We would like to thank the Circle Squares for the fun time we had when we raided them. It was a party for the dancers that had just graduated. We also say thank you to the Swinging Saints for having us join them for a night of dancing fun. Quite a few from our club danced outside at the Pruneyard one night. The air seemed cool until we started dancing. It didn't take long before the chill was gone. We had a Potluck at the San Jose Swim and Raquet club for friends that might be interested in our beginners class. The food was good as it always is and the evening of dancing was fun. HIGHLAND HILLBILLIES---We had a successful mystery swim trip at BOB & JOAN HERSCH'S, many thanks for your hospitality, BOB & JOAN. We're happy to see that DAN GUARALDI is on the way to recovery. With his strong will, he will be dancing soon. Glad to see JEAN & HOWARD KLOHE back at club after she had been under the weather. OLIVER & DOROTHY DANIELSON will model & represent our club at the Jubilee brunch. Hope to see all of you there. Remember our 21st Anniversary Hoedown Oct. 18. See our ad for more info. We're happy to welcome two couples to our club, MAURY & GWEN WHITLOCK & STETS & KITTY STETSON, hope you have fun dancing with us. VANCE & AUDREY THOMAS were wonderful Host's at their block party to introduce non-dancers to Square Dancing. Thank you VANCE & AUDREY for all the work & time you put into it. It's nice to have a club with so many willing people to help at any time.....SILENT HILLBILLIE

LONGHORNS---We were on the go over Labor Day Weekend. The DAVOLIS to Ft. Bragg for Paul Bunyan Days, four couples to Fort Jones for a ranch weekend and dancing with former members, and two squares enjoying the Stampede at College of San Mateo. Dudes N' Darling raided us one evening, cookies and all, making for a real party night. Same evening another surprise, with a decorated cake honoring Pres. JIM & HELEN STEWARD on their 25th Anniversary, brought by daughter MARGARET who is off to UCLA this fall. The best, that's our MARGARET DAVOLI, who danced her way to a grand championship at the Hula festival at the San Mateo County Fair and Fiesta. Caller ROD put the Birdie in the Cage next club night, brought out the Hawaiian music and she showed us her prize winning performance. Beautiful! Plans complete for our Anniversary Hoedown on Oct. 11, with DICK HOULTON calling, and we're looking forward to a super evening. Isn't Square Dancing fun?....LOREN & JO

GILROY GLIDERS---We are boasting family togetherness! Pres. KNAUFF, and wife RUTH with son & daughter Vice Pres. DEENA PILLMAN and CHUCK with four teen's dancing. Not to be outdone is the LEMON family with a full square! The PENDO's, BOB & PAT with sons DAVID, BOBBY and daughter DIANE, The LARSONS with son and daughter enjoying squareing em up with their parents, The LOU DECKERS, JOE WILLIAMS DON McGLASHAN's, The HAROLD DAVIS's with daughter DONNA and son in-law DAVE of Salinas. So its real togetherness more clubs should follow suit! It beats any other activity for families and adds that very special tie. We held a special party night for the STIBENS, and presented BOOTS and KENNY with a beautiful plant for their yard. KENNY's resignation as caller will be felt by all and greatly missed, we wish them luck. It won't be long before the new year rolls around and in Jan, we will host ANDY RAWLINSON appearing later in the year "The Door" prize will be offered again. we reclaimed it in Aug. from the Morgan Hillbillies, Who is next?

.....BERTHA

LUCKY STEPPERS---The Highland Hillbillies honored us by driving over the hill to dance with us while their caller was on vacation. MIKE & NORMA DEGMETICH with their Wheeler Dealers from San Jose and LARRY & DIAN WOOD with their Happy Dancers from Capitola gave that little extra zing to our August Party night. And with callers like MIKE DEGMETICH, LARRY WOOD & HAROLD FLEEMAN and our gal's goodies who could ask for anything more? We are happy to report that NANCY VENTURACCI and THURMAN McBRIDE are home from the hospital We wish them a speedy and complete recovery.....

GOLDEN EAGLES---It is great to have a place to dance all summer, as we have been visited by many clubs who do not. What with so many couples off on trips and vacations, it helps to fill the hall and makes for lots of fun dancing. Joining us in Aug. were the Squares and Flares with JAY KLASSEN, the Merry Mixers with ARLAN WIGHT, and the Katydids. Aug. also brought new members JIM & JAN LEE. The ranks have been swelling all summer and it is a welcome sight to see the club growing so rapidly, lately.....CAROLE

SKIRTS & FLIRTS---The club picnic at John D. Morgan Park was a great success due to the efforts of EDNA & JIM HORSTMAN. Games of horseshoes, volleyball and games for the kids were great fun for everyone, followed by barbecued hot dogs, beans, salad and a variety of desserts. We are happy to report that MARY ANNE DOMINICI & GENE BOTEK are doing well after surgery. We are all working hard preparing for our Hoedown, Happy Birthday America on Nov. 1st. with BOB VAN ANTWERP. LETTERS TO THE EDITOR

Dear Ken & Audrey:

Thank you for providing space this past year for our article, "The President's Message". We believe that communication has improved between the Santa Clara Valley Square Dancers Association and the dancer as a result of this article. Many times dancers have approached us to give us their views regarding a subject we may have written about.

We trust that the newly elected President will also choose to use this opportunity to reach the great number of dancers in our Santa Clara Valley.

We look forward to working with you in the future, and again our heartfelt thanks.

Sincerely,
Bob & Lois Ferber

MORGAN HILLBILLIES---We elected as our new Pres. RAY & MAXINE LUBOW. Many thanks and good luck to DAN & HEATHER SALTER, they will be moving to the Aptos area soon. The publicity vacancy will be filled by RED & BETTY MUHLEMAN. We danced in the Morgan Hill July 4th parade and won the trophy for first place in their class. We were all invited to the RONNIE JONES cabin at South Lake Tahoe for an exciting weekend. LEONARD & MARY GOSS were the big winners. Seven couples made up the group. There was an excellent turn-out at our Family barbecue at Uvas Meadows. Our "SkyRocket Capers" Hoedown was very successful and we thank everyone for their participation. BARBARA & BILL BYERLY were hosts at their home for an afterparty. Two squares participated in the JERRY LEWIS Muscular Dystrophy Telethon, August 31, 12 midnight to 2A.M. at the Granada Theater here in Morgan Hill. Even tho our space to dance was quite small, we had lots of fun and felt it was a worthy cause. The LUBOWS had us over for refreshments afterwards. RUBEN will be having a Beginners class beginning Sept. 10th through the next two Wed., Sept 24. We will be planning an Anniversary Hoedown this year with plans, dates and caller to be announced next month. Our newly graduated dancers, GENE & BARBARA POURROY became the proud grandparents of twins this summer. Congratulations!....BETTY & RED.

ADOBE WELL DIGGERS---Hope everyone enjoyed dancing at the Fair and for Square Dance Weekend as much as our club did. We danced at Valley Fair that week. Our officers for this coming period are as follows, JOE YETKA, CHUCK BAKER, IONE YETKA, & VRYBELLE WARD. They have taken over and I am sure will do a good job. We were raided on our last party night by the B & B's with their caller JAY KLASSEN and what with food food and dancing it always makes for a lot of fun. We love to share our wonderful hall with others. Several of us attended the Whing Ding at Gilroy and enjoyed the calling of PAT McBRIDE.....BOB & MARY

PEPPY STEPPERS---For the Peppy Steppers, Parties, Barbecues, and to top it off we had a fantastic time dancing at the fair. Don't worry though, Sept. was even better. We graduated into full fledged club members, believe it or not, we made it. Then we began new classes on Friday nights. Our Caller and fearless leader JOHNNY ROBERTSON, makes learning fun and easy.....KARON

KRAZY DAZYS---Vacation time is about over and everything should be back in full swing. There will be a lot of new faces at our clubs and hoedowns with the graduation of new dancers. BARB BRADFORD will contribute quite a few or I should say many to this. Her class' graduation last Aug. was super, co-sponsored by the Krazy Dazys and Single Squares. I'm sure these new graduates will always remember it. I would like to put a plug in for our coming Harvest Hoedown. LEE HELSEL will be calling and is he terrific! I'm sure all of you will be looking forward to it. Oct. 25th is the date. Hope to see many of you there!.....RUSS
