WHIRLAWAYS .. BOB SOUTHERN called for our New Year Party, and what a happy time we had. The Newer Dancers Hoedown was a lively affair, attended by enthusiastic dancers. BILL PETERS keeps us on our toes at Wednesday workshop, open to adult couples. We're looking forward to a good following when dapper JOHN CADIENTE calls at our Anniversary Hoedown this month. Hope to see you there.....LU BEYER

RAFTER ROCKERS .. Our Xmas party was filled with Ho Ho's when club members tried their hands at amateur calling. A great deal of credit and applause for BOYD LUCAS, RAY STRONG, KATHY TRIPP, TRAVIS CLEMENS & SUE EISELEN for their vocal efforts. The Krazy Dazies were great company when we raided them and found them on our doorstep two weeks later. Our beginners potluck was a great success, but how could we miss with a caller like BOB TRIPP.....MICHELLE.

SPINNING WHEELS .. We hardly had a chance to stand back & admire the Buckskin when we were greeted at the door by the raiding Dancers Choice. They've got the Buckskin now, folks. A festive holiday table crowded with goodies greeted the dancers at our gala Xmas party. It was an evening of good eating, good dancing, & good friends. We welcomed in the New Year at a dancing party at the Los Altos Recreation Hall. We discovered some hidden talents in several amateur callers in our group. Horns tooted as 1977 made its appearance, and a midnight buffet made the evening of dancing complete...LOUISE

SKIRTS & FLIRTS .. We began 1977 with election of officers. This past year had been a good one and we say good-bye and thanks to our old board, LARRY JOE, SHIRLEYANNE, GENE, BOB, & ANN. We welcomed our new board with a potluck & combination board meeting where LARRY was presented with a memory box depicting events of his term of office. It has been such an active year, it was hard to decide which events to mention. The 1976 board has done a great job. We are looking forward to a wonderful year.....ANN & HOWARD

JOKERS .. The Holidays are over and the WYSZYNSKI'S are particularly happy, they sell Xmas trees. BETTY & BAY POWELL are back from a trip to Washington to visit BETTY'S daughter & family. While most of us had enjoyable holidays, it was a sad time for JIM & PHYLLIS TRELEAVEN since JIM's father died on New Years eve. Our sympathies to them. HELEN TWICHELL suffered a broken collar bone recently and has her arm in a sling. We were pleased to have WALLY DOUCETT JR. dance with us recently. His father & Mother were long time members of our club & are now Honorary members. The TRELEAVANS & CORRIGANS attended a very delightful Hoedown recently when their children, ALISON TRELEAVAN & MIKE CORRIGAN, danced at the first Hoedown after completing much of their basic lessons with the Silver Buckles.....BETTY

Helpful Hints To Make Your Square Dancing More Enjoyable

5 STEPS

TO
BETTER
DANCING

**KEEP BOTH FEET ON THE FLOOR,
DON'T WALK**

Walking is NOT dancing!

When you walk, one foot is off the floor for a time, and you can easily be put off balance.

Using the traditional shuffle step, with both feet gliding along the floor, you achieve perfect balance.

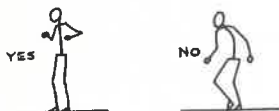

Stay "On your toes", don't jar your heels and body. Smooth movement is the mark of a polished dancer.

KEEP WEIGHT FORWARD

STAND TALL, MOVE LIGHTLY

Shoulders back, stomach in. Don't "trudge", let the music "carry" you along.

Men especially! (You have a longer stride than the ladies.) Smaller steps make it easier to shuffle and maintain balance. (Besides, you'll look better.) Don't rush, there's plenty of time.

TAKE SMALLER STEPS

**LISTEN TO THE MUSIC,
DANCE TO THE MUSIC**

That's the point of dancing. The square is simply the framework in which you move.

Take one gliding step for each down-beat of music.

Learn to pick out and start on the phrase whenever possible.

Most comfortable basics are done in 8 steps or multiples or divisions of 8 steps.

Don't Forget To Smile!

FROM THE DESK OF Ken

A couple of minor changes we must make in the mailing procedures of Square Dance News.

We can no longer absorb the high cost of mailing individual copies after our initial mailing (which is about the 25th of the month.) If we receive your new or renewal subscription after our initial mailing and you want a current issue, please enclose 50¢ more for postage and handling, thanks.

Publicity Chairman: We are asking you again to please limit your news items to 100 words or less. We're running out of room and have other interesting items we would like to publish. We'd rather have you edit your own news rather than us, we have a heavy hand and it's getting heavier all the time. Nuff said!

Big suprise took place at the B's & B's New Years Eve dance. Right after midnite ANN GEE BELL & DAVID SHEFF were married by HUGH COLETT, pastor of 1st Christian Church and dancer with the San Lorenzo Checkmates. Family members of ANN GEE & DAVID were present with many suprised members of the B's & B's. A reception complete with Wedding Cake, followed. What a suprise B & B's! What do you do for an encore?

February 6th is the Santa Clara Valley Callers meeting at the Sunnyvale Rec. Center (I hope), last time they moved it and some Callers didn't read their notes (namely me), was my face red.

Congratulations to the Jubilee Square Dance Shop on their new enlarged quarters. They hope to be finished by March 1st. Also the Jubilee will be the Square Dance Shop represented at Asilomar for "Sets In Order" Square Dance Week in February.

Happy Valentines day, Lincolns Birthday, Washington's Birthday & Ash Wednesday and to all who were born on Feb. 29th, You were robbed!

KORN KRACKERS .. Now 23 years old, we want to thank all those who attended our Anniversary Hoedown. Special thanks go to DON & SHIRLEY McSHURLEY who were chairmen of the affair. We are proud to be one of the oldest clubs in the Santa Clara Valley. We are especially proud to have GENE & ERMA FURNAS, charter members, still dancing with us. We are very appreciative of the support given us by the Circle Squares, GARY'S other club, and also the Happy Hearts, who always look so nice whenever DWAIN & JUDY SECHRIST are doing the rounds at a Hoedown!....JOHN C.

WHEELER DEALERS .. We're all looking forward to an active New Year. Our beginner class is really moving along. Our Caller, MIKE did a good job at the Whing Ding. Keep an eye open at the Hoedowns for the cards advertising our Anniversary Hoedown in March. Happy New Year.....BILL & SUE

SANTA CLARA VALLEY SQUARE DANCERS ASSOCIATION

FROM THE PRESIDENT

San Jose is celebrating its Bicentennial this year. We will be asked to do some square dancing for the general public, so be prepared to have fun dancing for others. We have been asked to have a square or two dance at the Paseo De San Antonio in San Jose on February 6, which is our first for the 1977 year.

Ken Kenmille is forming an exhibition dance group and anyone interested contact him. It will be a group that would be asked to entertain at our Association Dances, or wherever needed to help promote square dancing.

The Jubilee Committee is hard at work, and is making great plans for our annual October event. The Committee welcomes input from dancers, and the programs are made up from suggestions from Dancers and Callers.

The Advisory Committee is studying the dues and insurance problem to see what logical adjustments can be made and to try to make it acceptable to the majority of our members. The Committee is headed by JERRY & MARY STANLEY and will be making a report as soon as possible.

We have a "Goodie" coming up on April 30, 1977. The Callers Appreciation Dance. The Callers put on a fun skit each time as an added attraction to the great calling done by practically all of the members of the Santa Clara Valley Callers Association. This will be held at Overfelt High, and is definitely worth attending.

You will notice on the 1977 Association Calendar, that the California Square Dance Convention is being held in Sacramento on April 15, 16, and 17, 1977. This State wide event is comparable to our Jubilee, except of course, all of the California State Council Associations are involved in putting it on. The cost and profits are shared by all. Tickets have been distributed to the Clubs by the Directors. Purchase of a Advance Registration ticket gives you one free prize ticket. You may also purchase prize tickets at \$1.00 per ticket. Advance Registration saves you money and helps the Committee. Join us at this event, your attendance at this dance insures future Conventions.

ARM SWINGS

A slight pressure rather than a "tight grip" keeps the dancers moving as a unit. Cup the hands against the arm and below the elbow joint.

Moving equally around a center turning point dancers can quite simply adjust to compensate for variation in size between partners. Each moves equally around the center of turn.

S.C.V.S.D.A.

We as members of a Square Dance Club belonging to the S.C.V.S.D.A., also are members of the Association. Membership in the S.C.V.S.D.A. is limited to clubs which have officers and are run by the club members. No caller run clubs or workshop clubs may belong to the Association.

The purpose of the Association is to promote Square dancing as we like it. The S.C.V.S.D.A. works closely with the Santa Clara Valley Callers Association. Chances are your Caller belongs to the Callers Association. It is good to know that both Associations are working together to make Square dancing more fun for us.

The S.C.V.S.D.A. officers and committees are much like any club. However, of more importance to us as dancers is the Board of Directors. The Board of Directors is made up of ten couples very active in Square Dancing. You see them at all the Hoedowns and visiting other clubs from time to time. Each director couple has about six clubs assigned to them. The director couple assigned to your club may be the best friend your club ever had. They stand ready and willing to help you in any way they can, drawing on their experience and all the resources of the Association. Newly elected to the Board of Directors are ED & LONA SCHMALZ of the Korn Krackers. The names of the other board members may be found on the back of the 1977 S.C.V.S.D.A. calendar.

Each club is represented in the Association by four delegates appointed by the club. The Association has a delegates meeting on a Sunday afternoon every two months. If you are interested, you are welcome to attend the delegates meeting. The meeting dates are listed on your calendar. We would like to have you join us.

Are we really trying to cut down the number of new movements or are we just letting "Callerlab" dictate to us what a few Callers have decided the Dancers need? I'm beginning to get the feeling that in maybe a year we are going to have another column of moves we have to teach just about as long as the Mainstream list, (counting all those Callerlab has already chosen for us.) Something else for the Dancers to learn something else for the average Caller to be spooked about.

Extend has been around for some time now, and there hasn't been too great a play for it's use. But here we are, getting with it again because someone has said we need to teach it. What ever happened to the Callers who were excellent at directing the dancers thru the Squares? Where has the challenge been put, certainly not in the ability to say "extend". I've seen many fine Callers in my time turn a floor full of Dancers inside out with their ability to direct the Dancers. Then it was a real challenge for both Caller & Dancer. The Dancer new what to do when directed, but not so today. If you have not been taught extend you can blow the Square. It's something else for you to learn! Today we seem to have no time to say Pass Thru, & make a Wave. I've called many Hoe-downs in the 16 years I've been behind the mike, and still the greatest thrill to me is the Dancers reaction to my direction. They love it & so do I. The beauty of phrasing, & the interesting lingo of Square Dance Calling are all becoming lost from our wonderful activity. I'm suprised the calls "Hop". "Jump", "fly", or "Bounce" haven't become thought of. I'd better stop there. I surely don't want to start a new trend!

NEWER DANCERS CHIT CHAT

with BARBARA

Hi everybody! Now that you're into your Intermediate Class Sessions, everyone will have to remember to stop calling you "Beginners". How does "Newer Dancers" sound? Much better!

Now that we all feel so comfortable walking to the beat of the music, maybe it's time to remind ourselves to use more of a sliding step. You learned that at one of your first classes, but we all need to remind ourselves from time to time. Remember, smaller steps and tighter squares make for smoother more flowing and easier dancing.

Now let's take the time to get better acquainted with that lovely lady with the smiling face who greets you each Class night. She's the 'Chief Cook and Bottle Washer', your Teacher's good right hand, the Caller's Wife. Generally, she takes registration, brings the coffee, worries about you when you are not there, checks the sound to make sure everyone can hear, helps make everyone feel welcome and comfortable, sets a good example by wearing proper square dance attire, and makes sure the hall is left clean. She's an information service when you forget where the Hoedown that was announced is going to be, or where you can find square dance clothing, or should you buy long or short sissy pants, or is it more comfortable to dance in boots. Have you ever had to give a breath mint to someone you don't know very well? She has. If you have a question and don't get a chance to ask your Caller ask her. Chances are she knows what he would tell you. If she doesn't, she won't guess at the answer, she'll find out for you. You think your teacher is great? She knows he is. She's his Chief Fan -- and critic. If she sees something that could stand improvement, she'll remember to tell him later. Your teacher knows how important his wife is to the success of the Class or Club. Now that you've had a chance to think about it, you'll want to thank her for all her efforts too.

Most of you have been invited by a Club to join them for a "Party Nite". Isn't it great fun dancing with more experienced dancers? After the first tip, the fear of making too many mistakes is forgotten, and you find you're dancing better than ever. If your Class hasn't already done so, why not invite the Club to join you for a party Nite? Refreshments can be as simple as cookies, or as elaborate as you want to go.

It really doesn't matter! The important thing is for all Class members to greet and dance with your guests and make them feel welcome. Would you believe they are as shy as you were when you were their guests?

Many Happy Party Nites! See you next month!!

OVER CONFIDENCE IS THAT COCKY FEELING YOU GET JUST BEFORE YOU KNOW BETTER.
