Happy New Year! Whatever happened to 1978? It came and before we could say "pass thru", it was gone!

Hope everyone is keeping their New Year's resolutions, especially the one to devote more time to square dancing.

Did you know the Association awards visitation badges to all those dancers who have visited and danced with every member club in the SCVSDA? More information and forms available by contacting your club director. (A great way to fulfill that aforementioned resolution!)

If you plan to attend the National Convention in Milwaukee, be sure to visit your Associations Showcase of Ideas.

At the last Delegates meeting, the Association voted to endorse the smooth dancing program of Callerlab. This will be highlighted in 1979 and was endorsed by the Calif. Council of Square dancers.

Clubs - President Steve and Liz Hoover have requested that your delegates furnish names of those persons interested in working on various committees within the Association. There are many members with such diversified talents, Steve would love to be "deluged with names"...so let's do just that! The address of SCVSDA is PO Box 722, Los Gatos, Calif. 95030

FROM THE DESK OF Ken

HAPPY NEW YEAR! I'm writing this article and it's the first week in December, Christmas hasn't arrived as yet, in fact I have'nt even started my Christmas shopping and I have to think of next year. Such is the life of an editor.

The new year is a great time to make resolutions. One that I personally would like to see all clubs and callers make is to list the level of their dances in the advertising and club listing. Some clubs and callers seem to think that if you list a dance as (+1) plus one, which includes quarterly selections and mainstream, that you must call all the calls on the plus one list. No so. If you are going to use any of the calls on (+1) then the dance should be listed as (+1) but you don't have to call all of them.

Hall rents, including schools are being raised, the cost of records and transportation keeps going up and most club dues remain the same. Now would be a good time to review your clubs budget to make sure that you will be solvent for the coming year. Many clubs have fallen apart because they waited too long before increasing their dues.

Hope to see you at the subscription dance at Peterson High on Dec. 29th.

A NEW IDEA

Welcome
TILII

TILII says,

Thank you

TILII SAYS, "Please include in every ad and on every flyer the type of dance you plan."

USE INTERNATIONALLY ACCEPTED CALLERLAB TERMS TO DESCRIBE:

1. TYPE OF PROGRAM
2. CALL LIST TO BE USED
3. DIFFICULTY LEVEL

EXAMPLE:

DANCE - MAINSTREAM - QS - STANDARD

1. TYPES OF PROGRAMS

Dance (D) - Dancers expect to use knowledge they already have. Not more than 10% of program should be spent teaching new material.

Workshop (Wksh.) - Dancers expect to learn new and intricate material and styling.

2. CALL LIST TO BE USED

Basic Program (B)

Callerlab Calls 1-39

Extended Basic (EB)

Callerlab Calls 1-54

Mainstream Program (MS)

Callerlab Calls 1-89

Quarterly Selections (QS)

Callerlab Choices

Plus 1 Program (+1)

Callerlab (MS + QS + 1)

Plus 2 Program (+2)

Callerlab (MS + QS + 1 + 2)

3. DIFFICULTY LEVEL

Fun Level (Fun Lv.) - The caller should use only calls listed for the dance and emphasize standard patterns. If squares break down on the floor, the caller should walk through the calls involved. Keep 100% dancing.

Standard Level (Std. Lv.) - The caller should mainly use the calls listed for the dance. He should attempt to keep everyone dancing, but should not walk through the listed calls. The caller may teach simple additional calls if he wishes. Keep at least 85% dancing.

All Position Dancing (APD) - The caller will use intricate, reversed and complex variations of all calls on the program. Any other calls may be used or taught.

Special thanks to MARGE HORTON and ROSE KRUMM for doing such a fantastic job of organizing the party and also to all the "good little elves" that helped. 1978 got a really great send-off at our traditional New Year's Eve dance. RANCHEROS had a good laugh when hard-working MARY MILLER (at a recent Hoedown) squared up still wearing her kitchen apron but no one laughed harder than good-natured Mary! Officers for 1979 are HAROLD SEE, CARL STENHOLM, CHRIS SMITH, HARRIET LOCKMAN and SANDY EMERSON. Congratulations and good luck! M

LONGHORNS had culinary artists out in full force at our Xmas potluck and they all get "gourmet cook" ratings. Hence, all thoughts of cholesterol, tri-glyceride, fat, sugar and also the calorie counting went to h--- in a bucket (and wasn't it delicious fun?) as were all the holidays and accompanying festivities. Now, back to the drawing board with uno numero to be the DIET, necessitated by the aforementioned potluck etc. A positive thought...1979 WILL BE A GREAT YEAR FOR ALL! C.
