INFLATION ... The all mighty dollar doesn't go very far this day and age. We have been tossing an idea around the last few months that we would like to present to you.

Instead of increasing our subscription price to meet our higher production cost of publishing Square Dance News we are considering the following: Changing our monthly issue of the magazine to cover 1½ months at a time. The September issue would cover all the month of September thru October 15th, Oct./Nov. issue would cover October 15th thru November 30th, December issue would be all of December thru January 15th, and so on. This way we would publish 8 issues a year instead of the present 11 issues which we do now. The subscription price will remain the same, \$6.00 per year. For our active subscribers we would extend your expiration date so that you would receive 11 issue on your current subscription. Any comments, Pro or Con would be greatly appreciated. We are also considering having a special advertising rate for all camera ready ads. More on this in the next issue.

Our July/August issue will be a combined issue this year. Deadline for news and ads will be June 4th for the combined Summer issue.

We are heading for L.A. and the Callerlab Convention the first part of April. We hope to give you a first hand report on what went on in the May issue of Square Dance News. Happiness is having a full tank of gas on Sunday.

For the quarter beginning April 1, 1979, CALLERLAB has voted NO NEW MOVEMENTS. For those groups who wish to use some workshop material during the Mainstream Dances, we recommend you feature some of the calls from the Mainstream list that you haven't used too frequently in the past. The Mainstream emphasis calls for the quarter beginning April 1, 1979 are the FOLD and CIRCULATE Families. There is a great deal of material that is waiting to be used if we, as callers, work at it and present it to the dancers in a palatable fashion. Or... you might wish to use some smooth flowing All Position Dancing (APD) material. Please remember that the theme for 1979 is SMOOTH DANCING and that the theme for the 6th Callerlab Convention is COMFORTABLE DANCING IN THE PROPER SPIRIT.

We would also like to remind your readers that the purpose of the Quarterly Selections Committee was to review the available moves with an eye towards selecting moves that were suitable for workshoping at the MAINSTREAM CLUBS. A Mainstream club is one where the majority of dancers dance on an average of once a week or perhaps twice a month. While there is no shortage of moves being written by today's choreographers, there is a distinct lack of moves that offer the potential widespread use at Mainstream Clubs.

When CALLERLAB established this program, we felt that some guidance was needed to limit the number of new calls that a great many dancers were being exposed to. While some dancers and some clubs can handle several new calls each month, many dancers and clubs cannot. It was with this in mind that the CALLERLAB decided to select 0, 1, or 2 calls per quarter to be emphasized in those groups where workshoping was desired. It was not the intent that all clubs would use any given figure. For instance, last quarter, the figure TWO STEPS AT A TIME was selected. Some groups are not yet comfortable with the Basic PEEL OFF. We would urge that the caller for those clubs not use the Quarterly Selection in that case. CALLERLAB is not trying to dictate policy to any club or caller... rather, we are trying to provide a screening process to enable dancers to get some new material in a controlled manner that will offer a longer lasting appeal to the majority of dancers.

Each year, during the CALLERLAB Convention, the membership votes on a list of Quarterly Selections to reduce the list to no more than 10 calls. Obviously, this means that some calls will be dropped. A call may be recommended for inclusion at the Mainstream level if it has been on the Quarterly Selection list for a period of not less than three years.

While we cannot predict the outcome at this time, it is possible that as many as three calls could be added to the Mainstream List and we also could drop six or seven calls from the QS list. Shortly after the Convention, we will be advising you as to CALLERLAB decisions on the composition of lists.

In addition, many calls can and should be used from more than one position. Teach standard position first, then add others. As this concept is expanded, the terminology should be changed to All Position Dancing (APD).

BOOTS AND GARTERS recently spent a very enjoyable evening of dinner followed by a play, at the New Almaden Opry House. We also danced at the Bethesda Convalescent Center in Los Gatos and we hope the folks there enjoyed it as much as we did. We are looking forward to a camp-out in June where the highlite will be our own "Amateur Callers Night". Should prove to be both CHALLENGING and FUN! SQUARES & FLARES welcome new members JOHN & SHARON ADAMS and the new little ADAMS born in November. Would you believe as JOHN & SHARON were being initiated into the club...our first lady, holding the baby, was also "initiated"? Our new class recently attended their first hoedown and had a "ball" while getting their "feet wet". Hope to see you around a square...like at our 24th Anniversary dance?...A

TWIRLING SANDS managed to "carry on" in spite of club Caller ART HANSFORD and MARIE takin' off on a 3-week trip to Mexico. We had a "get acquainted" party for our new beginner class.. ..an amateur Callers night...and a special 5th Thursday with "Over the Hill" FISCHER temporarily assuming the MC job and boy, we sure do miss ART! As we dry out our soggy boots from a recent snow trip we look forward to springin' into Spring and then, the lazy, crazy daze of summer! NN

ISLAND SQUARES sprung into Spring a little early this year!! Seems we were anxious to get Winter out of the way and decided the best way to was to get people on their feet and dancing to the fine calling of MIKE DEGNETICH. Good time had by all and as usual, MIKES enthusiasm was contagious...the hall was still jumpin' when the lights went out at 11:30. Special thanks to LARRY & EILEEN SHAINNE, NICK & EVELYN COIRO and all their helpers. Our resolution is to renew our enthusiasm for square dancing and to get out to Hoedowns and "meet the people". We also love company, so c'mon over and see us soon. B

RANCHEROS of Redwood City wish to thank all those who attended our recent Hoedown and helped make it such a big success. Our club caller ARLAN WIGHT did a super calling job and all who attended had a real fun evening. SANDY EMERSON is off again...this time flying to Connecticut stopping enroute to visit a sister in Minnesota. It was a great Squar-rama week end in Fresno for some of our club members...the SEES, TODDS, EMERSONS and STENHOLMS and GLADYS BLAND and fiance JACK BAISDEN. SHIRLEY OLLIVER and RAY PALMER were among those joining the Wright Rounders Cruise to the Caribbean and reports are that it was a funtastic voyage!...HL
