It is doubtful if there is any other group more dedicated to their cause than Square Dance callers. (Nor any group that has more fun in working out their problems!) Their purpose is to provide fun and entertainment for dancers but we suspect that with most callers the calling is an "end" in itself. Try to imagine the satisfaction in seeing a whole roomful of folks dancing in unison and with pleasure in response to your well planned program.

Anyway, the point is that callers as a group are sold on Square Dancing and never miss a bet to "sell" same to any unsuspecting character! We hope that dancers feel likewise. At any rate Square and Round Dancing has grown by leaps and bounds during the last three years in Northern California. Let's keep the ball rolling!

WHERE'S THAT TOWN, ANYWAY??!!

California being such an enormous state most of the people living in one area are not familiar with the names or locations of the smaller towns in other areas. We wouldn't want anyone's Square Dance to be overlooked merely because it couldn't be located! In our March issue listed under "Uncle Phil's abbreviated California routing guide" we gave an alphabetical listing of some communities with distances from known locations. Here is an up-to-date listing which includes all of the newer listings:

"SQUARE DANCE ~ WHERE?"

CALLER OF THE MONTH

MEET CARL HERRON

Here is a man who can vouch for the enthusiasm of Square Dancers in the far north of our State. Carl has been teaching and calling for the Eureka Area dancers since the spring of 1950 when a Lodge group asked him to teach them what he knew. They didn't need to twist his arm very hard and he has been in high gear ever since.

It is our experience that Millie, his wife, is the pencil pusher and detail artist of the family (she says he calls her "Shorty"!). The Herrons have been married since 1935. Their son, Ed, at 14 still hasn't gotten the Square Dance bug. (The shoemaker's son goes barefooted!)

To keep up on the latest in Square Dancing Carl and Millie attend the institute each summer at Lake Couer d' Alene, Idaho. Carl is a member of the SQUARE DANCE CALLERS ASS'N OF NO. CALIF., and they manage to make it all the way down to Guerneville on the Russian River for the Caller's Ass'n. Spring and Fall 2-day institutes.

Carl calls for "The Fortuna Old Time Dance Club," "The Humboldt Hoedowners" and "The Eureka Square and Circle".

So glad to get this copy of Square Dance-Where?.
Enjoy it very much. "Let's Square Dance more in 54".

E. Kay Glenn
171 San Benito Rd
Brisbane, Calif.

Dear Sir:

Just this week I had a chance to see a copy
of your magazine "Square Dance-Where?"

This is a magazine that I think we have need-
ed for some time.

I came to California in 1950 from Kansas with
four years calling experience and was very surprised
to find that there was very little square dancing
in this area. Since that time, however, our group
here in Lincoln and others in the area have grown
so that we feel quite at home again.

Our group is "The Circle Four Square Dancers
of Lincoln". (See Thurs. & Sat. Listings)

I am enclosing \$1.00 to subscribe to your
magazine. If there is an additional amount needed
to publish our dances please let me know. (No
charge! Ed.)

Sincerely yours,
Ed Watts
Lincoln, Calif.

Dear Sirs:

Were heading for Stockton, California April
7th, to visit relatives and friends, in and around
the Bay Area. After reading about your directory,
"SQUARE DANCE - WHERE?", in the December 1953,
"SETS IN ORDER", I decided that this is just what I
need to complete this trip, so I'm enclosing .15
cents, for a copy of the March 1954 issue.

Square Dance-Where?

We were transferred to Sacramento from Long Beach recently and haven't gotten "Square Dance located" yet. Belonged to several clubs down south and miss dancing so are sending an S.O.S. to you. Thanking you.

Sincerely,

(Copy of Square Dance-Where? mailed promptly. Natch!)

Square Dance - Where? does a good job. Though I'm too busy to travel much, I'm still glad for all the information.

Sincerely,

Bob Baker, Selma, Calif.

Dear Phil:

You are really doing a fine job with your Square Dance - Where?". Just last nite at College of Sequoias we had a visitor from the San Francisco area, Al Buoncristiani, who read of the class in your magazine!

Jeri Crosby

Three Rivers, Calif.

Enclosed is \$1.00 for a year's subscription to "Square Dance - Where?"

We had a wonderful time at Half Moon Bay and really hope to get back some time soon.

Tell Tex Dehoney I'm still waiting for that material he said he would send!

We really enjoyed meeting all of you and hope you'll get to Sacramento sometime. Thanks.

Virginia Callaghan

Sacramento, Calif.

(P.S. Tex sent it on schedule! Ed.)

Bill Fowler has announced the newest addition to Square Dancing in San Jose, "Shooting Stars".

Nearly 10 squares finished a 20 weeks basic course under Bill's tutelage and will graduate in grand style to the calling of the popular Jim York, Friday night, April 23. The Shooting Stars will meet on Wednesday nites --- Watch this most enthusiastic and spirited group, you will be hearing more about them!

Would you kindly change the way our Club name is printed in the listing of Saturday dances. You are printing it as one word -- and it very definitely is two words -- as we have it on our badges. Thus:- Napa Buzz Steppers.
(Alterations handled with a smile, Ed.)

Dear Phil:

Received your note and appreciated hearing from you. Was glad indeed to hear you enjoyed the Convention. Some times "you can be so close to the forest you can't see the trees".

The three high spots to me, were in being able to meet such nice people; seeing the dancers really enjoying themselves; and then receiving unexpected letters from people who really understand and attend Conventions and Jamborees, complimenting us on the affair.

We'll be seeing you in Oakland, May 29 and 30 for the Round Up.

Sincerely,
Burt Garner
