the live music story

LARRY BUTZER

Let's move into a world of fantasy for just a moment. You build a new home and move in. The next day the milkman rings your doorbell and informs you that your new home has 1500 square feet of living space, therefore, according to the ruling set down by the milk company you are required to take four quarts of milk each day. You inform him that you are allergic to cows milk and can only drink goats milk.

The driver replies that his company does not handle goats milk and cannot get it. He further informs you that this makes no difference, allergic to cows milk or not you must take four quarts of cows milk per day because his company has taken it upon themselves, without any authorization, to make a ruling that a 1500 square foot house must take and pay for the allotted amount of milk. If you object his company will throw a picket line around your home protesting that you are unfair to organized milk companies!

What would you do?

The above is a true fantasy but it is also a true parallel to the situation that has confronted the Dancers Association with regard to live music at the Golden State Round-Up. For several years the Association has attempted to reason with Local 6 of the Musicians Union. The answer has always been—if the Association puts on a Round-Up at the Auditorium they must have in attendance, 20 musicians (the size of the floor determines the number as set up by the Union).

A further attempt was made by the Association when it indicated that they would be glad to hire Union musicians if they could play Square Dance Music. There is no group (at the present time) in the Union that can play the kind of music required by Square Dancers, at least there has been no indication that there is.

The Association then, through its Executive Board and its General Committee

voted not to hire the musicians and dance to records. The Union threatened a picket line but the Association stood firm.

The Association stood firm because it did not feel that it should pay between \$1800 and \$2000 for 20 musicians who could not produce the product required.

Prior to the Round-Up the Union attempted to bargain by offering to have 20 musicians in attendance for two hours on both Saturday and Sunday evenings for a fee of \$1250. The Association again refused. Then, the Union made one more attempt. They indicated they would settle for four hours on both Saturday and Sunday evenings with ten musicians for a fee of \$900. Once more, refusal by the Association. However, the Association on each occasion indicated they would be happy to hire Union musicians provided the musicians could and would play Square Dance music.

The Dancers Association is NOT anti-union. A large number of Square Dancers are members in good standing of various unions and live by the rules of their unions. Several of these union people contacted their unions and were informed that the picket line ultimately set-up by the Musicians Union was not a legitimate picket line and they were granted the right to go through it. In addition it is a fact that the Association did, as it has always done, hire certain personnel to handle certain duties.

The Dancers Association has always been upright and above board in all of its dealings. It has been fair and only asks that it be granted the same privilege from those who deal with it. It feels that it was right in its refusal to pay for a product that could not be produced. It refused to be coerced by threats or reprisal.

Whether the Association was correct in its stand is a matter of personal opinion. But—if the number of dancers in attendance at the Round-Up is any indication, a very large number of dancers gave the Associa-

tion their stamp of approval.
What do you think?

Square Dancers Ass'n No. Calif *'President's Message'* **Ed Kettwig**

This is one article that I can really enjoy writing, it is a thanks to everyone that came to the 13th Annual Golden State Round-Up.

First of all I want to personally thank all the clubs that participated in the Parade Saturday morning. I have never seen so many beautiful and clever floats and decorated cars, we are sorry that the turnout of spectators was so small this year, but now that everyone knows what it is like I am sure that next year with earlier publicity which the downtown merchants are willing to give us, the turnout will be better.

Next the happiest moment for me was Saturday night when I went through the picket line and entered the auditorium and saw that almost everyone else had done the same thing, the Executive Board and I would like to thank you for the vote of confidence you gave us, we were sure that we were right, but you dancers proved it.

Then came the after-party. I would like to apologize for not being able to sell more tickets, and that some of you had to leave, but even with our highest expectations we could not visualize over 500, but this we now know was a mistake and one that will be corrected in the future. But to all that went, we hope you enjoyed it, I think Jack Logan, Bill Castner, Don Shotwell, did a wonderful job.

Now for those of you that missed the breakfast, the only thing I can say is that you missed a wonderful program, John Strong was at his finest and he did a superb job. Those of you that were at the auditorium waiting for the advance dancers "challenge workshop" we are sorry that we kept the callers so long, but time seemed to fly by.

I have been listening to the tapes, and I will say that Jack Petri did a terrific job keeping the program running, thanks Jack.

A special thanks to all our local callers that gave their time to make this Round Up a huge success.

Sunday night was a repeat of Saturday night, the gentlemen of the Musicians Union were still out front and you dancers again filled the auditorium. Thank you.

I cannot give enough praise to three of the finest guest callers we have had in a long time. Don Stewart from Long Beach; Gaylon Shull from Dighton, Kansas; Billy Lewis from Rowlett, Texas. They really did a fine job and they kept you dancing on a full floor right to the end Sunday night.

We also had another couple that did a fine job, Bill & Dolly Barr from Sacramento. Their exhibitions Saturday and Sunday night were beautiful, and from the turn-out at the round dance sessions, I am sure that you enjoyed them.

There are two more exhibition groups that performed Saturday and Sunday night, and I will say that we are certainly fortunate to have two such fine groups in our area; the Stardettes, a teenage group under the direction of Ed & Betty Ferrario; and the Squarenaders, under the direction of Bill Castner. Words alone cannot give tribute to such fine dancing.

We also had two fine panels and for those of you that missed them, we're sorry. Peg Dallas, "The Fashion Parade," was a big success and ended with a door prize being awarded (a knitted stole); and Bill Castner's panel, "So You Want To Record," could not have been run by a more knowledgeable person, and there were door prizes donated by our local record shops.

All this was made possible by a few committee chairmen and co-chairmen, and by the hundreds of you dancers that gave so unselfishly of your time and efforts, thank you.

Last, but certainly not least, I would like to give credit to two people, who without their help and cooperation this round-up would never had gotten off the ground, I have never worked with two people that have spent so much time trying to please you dancers as my club caller and this years Program Chairmen Ed & Betty Ferrario, Thank You.

WHY?

THE ROUND-UP CORNER

Happiness was dancing at the 13th Annual Golden State Round-Up! And—Happiness for the two Ed's, Kettwig and Ferrario, is being able to look back in wonderment at the accomplishments of all those dedicated people who gave of their time and talents to make this the best Round-Up of all.

Ed and Ed would like to say "Thank You" knowing full well that the words are so easy to say and so difficult to get across their true meaning. So, if all of you who participated in "putting it on," and all of you who came and danced, and all of you who just came and watched will accept those two words as they are meant, the Ed Boys can say, "Happiness is working with all you wonderful Square Dancers!"

The 13th is history but the 14th is on its way, see you there?

a caller looks at the Roundup BY BILL JONAS

Perhaps the greatest compliment that can be paid to this year's Round-Up was the fact that there were callers scattered all over the floor at every session dancing up a storm. The remark most often heard in the Caller's Hospitality Room was, "I'm bushed, I haven't danced so much in lebenty years!"

The timing and flow of the daytime programs of Association callers was one of the smoothest of all times and the Lee Helsel sound was something to remember, particularly when that voice harmonized the refrain of the singing call. Top honors in stage presence should go to Verne Seagoe who had to start his singing call five times due to electronic failure and then produced a masterful job which brought cheers from the floor.

The caller panel, "So You Want To Record?" brought forth the following advice to hopeful recording artists: "you can record square dance singing calls if—you are invited to do so by the president of some recording company - or - you can start a company of your own - or - (as Bill Castner

said) you pay somebody a sum of money." Nonie Moglia and Skip Graham came by to pick up door prizes.

At the expense of gilding the microphone, the last word of praise must go to the Round-Up leader, Ed Ferrario, from the callers' point of view...

Comment... From the dancers of the Fresno Area, who attended the Golden State Round Up, comes warm words of congratulations, to our Northern friends, for another outstanding weekend of fine Round-Up programming. "Happiness," it was! (Hey,

weren't those cute chaps out front of the auditorium, with their purple and white banners draped across their vests?)

To all you northern readers of S.D.W? who told ETHEL and me at the Round-Up that you had been following the progress of the New Barn here, in our news items, won't find a concluding item on it in this issue. However, RON & CHARLIE GRASSER (New V.P. of the local association) gave us a good write up, with several pictures, of the new barn and ED & BETTY will probably run this in a later issue of S.D.W?

May 8... Hanford SQUARE EIGHTS had a right lively month. First with our club caller DICK SEARS in the Hanford Women's Clubhouse and then on the 21st our featured caller was HUGH BURNS (Modesto) calling to a fine crowd and on the 14th we combined with the Fresno PAIRS OF FOUR and chartered a fishing boat at Moro Bay. Boy was it rough, cold, wet and sea sick! Fish were few, wind and waves many, so we had to head for land. The 23rd was the last night of our Monday workshop group and it was CARRY SEARS' birthday (sweet 16 or something) so we feted CARRY with a Birthday Party. (Workshop again next fall.)

May 7th... No senior zere is no Spanish Fiesta in zee Pueblo and no zose are not pretty Spanish senioretas and fancy cowboys you see dancing. "Si what zen?"

Well Pedro zose are Americanos of

many nationalities, all dressed in zee square dance party clothes—"zî why?" Kuz zey are members and guests of zee San Juan Bautista Mission Mixers square dance club.

He who gives zee calls iz ERNIE KINNEY of Cantua Creek. (Remember Joaquín Murietta of Cantua?) ERNIE tells zem what to do, (I teenk) and what funs zey are all having, no?

May 12...WHIRLERS & TWIRLERS had an enjoyable evening, as guests of the PAIRS OF FOUR. We danced in the New Barn. DICK SEARS, of PAIRS OF FOUR, called the program with our caller BOB BAKER adding a tip.

May 12...Another big month for the PAIRS OF FOUR. First we combined with the Hanford SQUARE EIGHTS and went on a rough deep-sea fishing trip out of Moro Bay. Then we hosted the WHIRLERS & TWIRLERS at the New Barn and then we had our Beginners group as guests to our hoedown and on the 28th we had our 9th Annual Anniversary Barbecue. Pit cooked beef and ranch beans, plus salad, rolls and cake at the square dance barn. We served 500 people. Our club caller, DICK SEARS, called our various dances and took care of the impromptu calling at our big Anniversary Party. Our featured caller for the latter event was CHUCK FRITCHMAN of China Lake. Fine program and we danced in the main hall, dining area, hall way, and even out on the black top.

May 14...Del Rey Hall bulged with club members and guests of the Sanger MATES & DATES. It was our Anniversary Dance called by ERNIE KINNEY. We want to thank the LUCKY ROUNDERS for cancelling their dance to support us. ALLAN MILLER of Fresno will be calling the LUCKY ROUNDERS July dance at the New Barn in Clovis. Let's support them.

May 17...The advanced workshop group (1st and 3rd Tues.) closed the season with an evening of singing calls. ERNIE KINNEY has handled the group since it started. Next fall will be 2nd & 4th Tues. (Realty Board Bldg., Clinton & Cedar) starting Sept. 27. Open for three Tuesdays for registration.

May 20...The local clubs are now all dancing at the New Barn at 432 Hughes Ave., Center of Clovis, and ahead of schedule for the opening, thanks to the guiding hands of Mr. W. Fischer and Mr. J. Guisto (con-

tractors) and the wonderful help and efforts from various club members. We of the STEPPERS & STOMPERS dance every Friday with hoedowns on the 3rd Friday. You are all invited.

We expected a good turnout for our Beginners Hoedown but were amazed when twenty squares from various other club classes showed up. DICK WAIBEL is our club caller. Altho' the Barn is in operation the Grand Opening was set for July 22-23. Friday nite' the callers from the various clubs, using the hall, will do the calling. Saturday afternoon will feature rounds and Saturday night SKIP GRAHAM (Santa Rosa) will be the featured caller. All are invited to attend.

TOWNSHIP TWIRLERS held graduation on May 6th for 16 couples of SEMI-TWIRLERS. Congratulations, square dancers, we welcome you to the Club...5/7 1st Saturday hoedown was a success with NAT SOUZA and club caller RONNIE GRIFFITH calling the split program. 5/24 the FREMONT GOOFERS and their caller NAT SOUZA surprised us with an enjoyable evening of dancing. 5/28 the clubs entry for the Parade, one 1924 Chevrolet owned and driven by club president DICK GREGORY failed to make the Parade. The timing chain broke in Hayward so it had to be towed back. Better luck next year, DICK. The 13th Annual Golden State Round-Up has come and gone but not forgotten by those who enjoy square dancing. We will be looking forward to the 14th next year.

ROCKRIDGE TWIRLERS newly elected officers are: BUD CALESTINI, Pres.; CHARLIE SCHREIBER, Vice Pres.; BARBARA TUCKER, Secty-Treasurer. The TWILIGHTERS attended our April 14 surprise engagement party in honor of BEV THORNTON (new Mrs. FRANK TUCKER). Our May 12 party was a big success thanks to the CLOVERLEAFS, TWILIGHTERS, SQUARE CROWS, and Castro Valley REBELS. We are happy to announce that LARRY HALE will be instructing ROM and other Rounds every 3rd and 4th Thursday. A hearty welcome goes to the graduates of our beginner class.

CASTRO VALLEY REBELS together with the

Concord and Fairfield REBELS wish to thank all those who attended the first annual REBEL Roundup held in Concord May 1st. So successful was our first attempt, and with the addition of new forming REBEL clubs, we are certain of bigger round ups in the future. On May 5th we had the pleasure of hosting the VALLEY CATS at our party night. Earlier in the evening the COTTON PICKERS just happened to drop by and pick up the Buckskin which we had obtained the week previously. A visitation to the ROCKRIDGE TWIRLERS on their party night, May 12 was a real pleasure. Our hoedown on May 21st with BENNY WALKER splitting the program with our own "big Jim" McDONALD was a pleasant success. We wish to welcome the following new members who joined our roster in the month of May: JO & BEN BERG, IRENE & BOB MOORE, MONIE & BILL PINCKNEY, EDITH & AL VON STADE, KAREN CURRENT and JOHN AUSTIN.

ODDS 'N ENDS will be changing our party night to the 4th Thursday. Plan to join us in celebrating our Hawaiian night, Thursday, July 28. Appropriate clothes are in order.

EAGLE SQUARES had a large turnout at the Silver State Round-up in Reno where a fine weekend was had by all. Club members did a lot of traveling this month and danced with the Walnut Creek SQUARE WHEELERS, TRACY TWIRLERS, Castro Valley REBELS, MOUNTAIN MIXERS, DELTA DRIFTERS and the SQUARE CIRCLES of Pleasanton. We're working hard on plans for our Rodeo Hoedown and will enter a float in the Parade which will be held Saturday morning, June 11th. That evening our callers for the hoedown will be NONIE MOGLIA & BUD WILLIAMS.

VALLEY SWINGERS had a happy May hoedown with JACK "the voice" LOGAN calling the entire program. Party night was the usual lively dancing and delicious refreshments. The newly elected slate of officers for 1966-67 are: Pres., GARY & MARTY ROHRBAUGH; Vice Pres., CARROL & LOIS BRYANT; Secty., DIGGER & ESTHER O' DELL; Treas., JERRY & DOROTHY CLARK; Sunshine, GLEN & MILDRED NADGWICK; Publicity, HOWARD & DOROTHY ASHWORTH. We are all proud of the good work by the outgoing officers.

KUNTRY KUZINS had seven couples travel to Reno for the Silver State Festival for a weekend of Square Dancing and other activities. The theme song on the trip home was "Poor boy"! On Wednesday, May 25, the Club visited the SEQUOIA SQUARES, renewing friendships and dancing to some great calling. This reporter would like to compliment, applaud, and praise the staff, clubs, and dancers who made the 13th Annual Golden State Round-Up the huge success that it was. This was by far the best that your's truly has ever attended—holding the after-party Saturday night at the Auditorium was a stroke of genius—it was a wonderful weekend of fun, fun, fun and tired, tired, and tired—see you all again next year.

ACES & LACES held the election of the following: Pres., JACK TROWBRIDGE; V. Pres., VAUGHN JANSSEN; Treas., LEO-NARD LACEY; Secty., FRANCES HOWIE; Publicity, JUDY JENNINGS; and food coordinator, WINNIE LUX. Many thanks to our Past-President, Mr. & Mrs. FRANK SPIVEY, and their board for a job well done...A Reno bus trip was enjoyed by a group of the club. The only thing discouraging was that Reno preferred to keep our money. The "no sleep on the bus" was strongly enforced—just ask EARL. It was nice dancing with a group from the GRASS-HOPPERS on the 3rd Wednesday. Do come again. Our hoedown with DON SHOTWELL and ED LOONEY sharing the honors was a great success with many clubs represented. Our decoration chairman, ROSALIE PARKER, did a marvelous job with floral theme and those "bloomin'" ACES & LACES pictures. We welcome the following into our club: DICK & BEV WHELEN, RUSS & SHARON ALLRED, DICK & ARLENE ENGEL, GEORGE & JEANETTE OLSON, ROBERT & KAREN RYDBECK, ERNIE ULRICH, HERMA SIMPSON, and the M.E. DIEFENDERFERS. FREMONT RUSTLERS had a wonderful time and really enjoyed this past 13th Annual Golden State Round-Up. We also want to thank the TOWNSHIP TWIRLERS and LEE HELSEL for the wonderful Anniversary dance. The calling was marvelous, the decorations were simply beautiful and dancing was out of this world. On June 11, the club and our caller KEITH PYLE and GEN will be traveling over to Redwood City to Ampex to put on a little square dancing.

VALLEY CATS had a busy month in May. On the 4th the CATS danced in Castro Valley in the Safeway parking lot on Redwood Road, in celebration of Western Week for the big Rodeo. Our caller JACK PETRI, was in fine voice. On May 5th the club was invited to dance with the Castro Valley REBELS on their party night. A good crowd was present. JIM McDONALD did a fine job of calling as did our caller JACK. On the 18th our party night we had the honor of dancing to the fine calling of HARRY JUZIX of the BALL & CHAINS. JACK was present but was suffering from laryngitis. The club wishes to extend their thanks to HARRY for a wonderful evening. We were all happy to see an old club member back, welcome HARVEY & RENA ROGERS...5/25 the club had the pleasure of dancing with BILL & RUSTY RAFORD (club members) beginners' class.

BOOTS AND BONNETS...The club would like to thank all those who helped with our Carol Bowlin Ben Dance. A special thanks to the Castro Valley REBELS and the five callers: EARL BURRIS, RAY SANCHEZ, JIM McDONALD, DOROTHY GANGER, and JOHNNIE PAINTER. The dance was a huge success, everyone had a wonderful time...The club had a caller's party night. Anyone who wanted to try to call did so. Those who called were ROBIN HUGHES and JIM KELLY. They both did a fine job. The LEVIS & LACES visited us, and their caller, DOROTHY GANGER also called a tip. SUE BLANCHARD managed the refreshments.

CLEARLAKE HIGHLANDS

Our Lake County clubs—KONOCTI KICKERS, CLEARLAKE SQUARES, SQUARE OAKS and ROCKIN' K'S all joined together to build a float for the Round-Up parade and had great fun doing it. We are going to enter it in our Redbud Parade in Clearlake Highlands on June 18; and in the Art's Festival Parade in Clearlake Oaks in July...so it will get lots of mileage and do a good job of advertising square dancing. We also had a party night with DON SHOTWELL and his BACHELORS 'N BACHELORETTEs at Konoc-ti Harbor Inn on June 4th. DON and our Lake County callers GLEN BULYND, LYLE KITCHEN, and SPARKY SPARKS shared the calling for a long-to-be remembered dance in a truly beautiful setting.

CLEARLAKE SQUARES welcomes "Sparky" back after his stay in the hospital. Sorry that he still is not feeling up to par, but we all send get-well wishes his way for a complete recovery. Thanks to GLEN BYLUND for calling for us in Sparky's absence. Writing this while still weary from such a wonderful weekend at the Golden State Round-Up. Wish all of our club could have attended. LYLE KITCHEN was our guest-caller for our May hoedown and a nice job of calling it was. Please note that Clearlake Squares now meet at the Lucerne Elementary School on 10th Avenue in Lucerne on Friday nights. HUGH BURNS is calling our June 25th hoedown.

SQUARE OAKS club has recently elected new officers: TED & DOROTHY KEAR are the new President-Secretary, and MARY & FLOYD FOSTER are the NSDA delegates for the coming year. We are also happy to have SPARKY back with us again. MARY & FLOYD represented our club at the Round-Up and accepted the participation pennant for our part in the Clearlake entry in the parade.

ROCKIN' K'S enjoyed a fast moving hoedown in June to the tuneful calling of SKIP GRAHAM. ERNIE & LYLE had to miss the Round-Up at the last minute due to ERNIE'S illness—better luck next year!

KONOCTI KICKERS are planning a "Crazy Christmas" hoedown in July on the 2nd Sat-

urday. Should be lots of fun—Santa Claus will have a gift for all of the ladies. Come up and dance around our Christmas tree... GLEN & BARBARA BYLUND took our Lake County float down to the Round-Up parade and really enjoyed the whole affair. The KICKERS have a party night each 4th Wed. of the month...had an old-fashioned box social in June and have plans under way for a "fun night" in July. Everyone is always welcome to visit us on Wednesday nights—particularly you Lake County visitors and vacationers.

3rd Annual Square Affair

Plans are now being made for the 3rd Annual Central Coast Square Dance Association's "Square Affair," to be held over Labor Day weekend, Sept. 3rd and 4th, in San Luis Obispo, California.

For pre-registration forms, write to Ralph and Barbara Ewalt, 1317 Thornburg, Santa Maria, Calif. For housing, contact John & Freda Carey, 749 Grove St., San Luis Obispo, Calif. 93401.

Dear Ed and Betty,

Georgia and I wish to extend our sincere appreciation for the many, many hours of hard work given for the pleasure of us square dancers. You two and your associates over the years have met and conquered the non-conforming press, radio and city officials and give us the great annual event "The Round-Up" which each year is better than all preceding years.

This year the sound was perfect and ALL the callers were excellent.

We attended, as usual, all events and enjoyed each one immensely, but best of all were the emcee's who kept the programs going Zip, Zip. Last year we attended the Western States Convention in Seattle, held in the huge Coliseum (at least twice the size of the Oakland Auditorium) and they also had found that "live" music was most unsatisfactory (very temperamental and inept) and their canned music, like ours, was great.

The featured STARDETTES and SQUARE-NADERS were most spectacular and we, as spectators, wish that we could thank all concerned individually for the hours spent in rehearsal. Where did you teachers find the time?

THE CITIZENS OF OAKLAND

GREETINGS:

May 18 and 19, 1966, marks the thirteenth anniversary of the Golden State Round-Up held each year in the Oakland Auditorium.

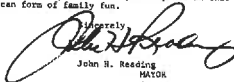

The Northern California Square Dancers Association, who sponsor this event, which attracts over three thousand dancers, are dedicated to the betterment of square dancing through the enrollment of ninety-eight clubs representing about thirty-two hundred dancers.

Square dancing has enriched the lives of persons from all walks of life through better physical fitness, joyous recreation and richer social enjoyment.

The Downtown Oakland Square Dance Parade starting at 10:00 AM, Saturday, May 28, 1966, will demonstrate that square dancers are solid, fun-loving citizens.

Therefore, as Mayor of the City of Oakland and in behalf of its administration, I am pleased to designate the week of May 22 to 28, 1966, as "SQUARE DANCE WEEK" in Oakland and urge our citizens to join in as spectators or participants in this truly great American form of family fun.

Sincerely,

John H. Reading
Mayor

SQUARE DANCE CALLERS ASS'N OF NORTHERN CALIF.

by BILL JONAS

The May meeting was called to order by President Don Shotwell at Alameda's Washington School with the main order of business being the selection of the Round-of-the-month and the review of By-Law changes relative to classes of membership. When reviewed at half-way point, the By-Law changes were tabled until the next meeting.

Membership Report: Raised to Caller: Wayne Janssen of Livermore; raised to Junior Caller: Ernie Sanford of Red Bluff; and, accepted as Associate Callers: Willard Thorsen of El Cerrito and Dave Stevens of Walnut Creek.

Special Basics for July: old basics: DIXIE TWIRL; new basics: RUN. It was made particularly clear that there is no restriction on the kind and number of basics a caller may teach; it is only that the two named basics are to be featured by all callers in all clubs during the feature month.

Annual Institute: September 24 and 25 at the Konocti Inn featuring Jerry Helt of Cincinnati, Ohio as leader and caller.

Association Callers Class: September is the target date with the following caller-teachers being considered: Don Atkins, Bill Castner, Bill Fowler, Jack McKay, Bob Page, and Bill Peters.

Al Penny announced that the Law Enforcement agencies of Contra Costa County had requested that all public dances needed to have permits and police protection. The intervention of square dance leaders was able to have square and folk dancing exempt along with school and church dances. This is a matter which might well come up in other Bay Area counties; therefore, square dance leaders should be on the alert to present the case for wholesome square dancing.

Al & Emma Buoncristiani presented two dances. The majority choice was "The Waltz You Saved For Me."

SQUARE DANCE ~ WHERE? CALLER OF THE MONTH

CHIC BURGESS

Lavender laurels go to Chic Burgess, our caller of the month.

Chic comes originally from Montreal, Canada, and has lived in the bay area since 1922. To support his wife and family he has, as he puts it, "gambled, touted, hustled and scuffled, drove a truck and picked up and delivered dry cleaning." He has been retired for four years.

He started dancing (both folk and square) in 1949 just to get away from it all. After eight strenuous months of both types he made his choice, bless him.

In April of 1951, Chic gathered three squares of his own friends and taught them to dance. He graduated three classes into the 49'ERS before he formed his own club, the Whirl-A-Ways.

He has been club caller for the Redwood City Longhorns since 1955 and took over the Brisbane Golden Spurs in November. Chic has taught 28 beginners classes, guest tipped almost every club in the bay area and all up and down California.

Besides calling, Chic enjoys swimming, all major sports, fishing and hunting. Chic and Confucius say: He who calls must also teach, so that he who learns can learn.
