SQUARE DANCE ~ WHERE?

ROGER LYON BENEFIT

BENEFIT HOEDOWN in Livermore, a Community affair date to be listed soon—ROGER LYONS of Livermore led a normal, healthy life for 24 years. But that was up to three years ago, and now he has six months to live. He is afflicted with a hereditary ailment that gradually degenerates the kidneys. It has plagued his father's side of the family as far back as four generations that LYONS knows of. His brother died at 23. But with recent advances in medical research, LYONS may receive help before it is too late. Married and the father of two, LYONS now faces two alternatives which would extend his life and allow him to continue at his job—produce manager for Livermore's Safeway Store. An artificial kidney or kidney transplant are possible. The University of California Research Center has taken an interest in his case and is suggesting LYONS obtain an artificial kidney until a suitable transplant is found. Ten would-be kidney donors, including relatives, have not had the organ that would be complimentary to the proteins in LYONS' body. A kidney

taken from a cadaver also is a possibility. However, it will take time to find the right one and LYONS must now seek the second alternative. However, the major drawback is the cost—\$15,000. Which will come first, the money for the machine or death, is the question LYONS faces each day. "If it had been a transplant, the Federal Government would foot the bill," LYONS said adding that cadaver kidney transplants are still in the experimental stage. As his appetite diminished, he went from 190 to 160 pounds in a year. The hereditary factors responsible for the disease, in LYONS' case, permitted him to have a normal childhood. But he fears for his children's safety. Doctors say they have a 90 per cent chance of becoming ill with the affliction. Until he can find the way out of his personal dilemma, LYONS must have constant blood transfusions. Unless he receives the transfusions, toxic materials building up in his blood would become lethal. Friends and strangers have rallied to his side offering their blood.

Madeline Allen **ROUND DANCE-WHY**

Lots of people have asked me to write something about Round Dancing. Some people want more Rounds, some want fewer. Some want everybody to get up and dance, while others want to see everybody learn to waltz right. Some want to know how to get their husbands to learn Rounds, some want every Caller to teach Rounds along with Squares, while some want Callers to stop teaching Rounds at all, and send their members to Round Dance Classes. Some think Rounds are too simple, some think they are too hard. So won't I please write something about Rounds?

After thinking it over, I find that I have some real opinions about Rounds, and also some questions I can't answer either. Taking the most basic question first—why should we have Rounds with our squares at all?—here is my opinion. I think we have Rounds in between the Squares to take up the slack between the dancers who never get enough dancing to satisfy them, and the marginal group who are doing as well as can be expected to get there at all, and who need a lot of rest to keep going. In Square Dancing, we have plenty of real dancers, who could do any kind of dancing equally well, but who love the spirit of a Square Dance. We also have a lot of people who aren't dancers at all, but who still love to get out there and do the figures, with no one caring where they carry their hands, or whether or not their toes point out, or even whether or not they keep time to the music. In between, we have every variation of those types of dancers. The first group could do any Round, the second can't do any Round, and the others can do some but not others. So there you have it.

With this set-up, in mind, my second opinion is that it is a mistake to aim for a program where everyone gets up for all the Rounds. Unlike Rickey Holden, I don't bewail the fact that Square Dancers don't all dance—I think it is fine that so many non-dancers enjoy Squares. My sympathy goes to the lady whose husband is in that class, but she might as well relax. Let her console herself with the thought that she was lucky to get him to the dance at all, and not strain her luck. It would be cruelty to

animals to make him get up and struggle, and worse than that, he might never come back.

The opposite extreme, of which I also disapprove, is to aim for a program in which every popular Round is taught as soon as it comes out, no matter how few members of the club even try to learn it. I am all for letting the few leftfooters sit them out, but when you find a Club with six squares dancing the Squares, and three couples doing the Round, something is wrong. There must be a happy medium somewhere.

Of course, the question I can't answer, and neither apparently can anyone else, is—how can you take time in a Square Dance Class to teach the fundamentals of Round Dancing to the majority of dancers who would like to learn, without making the others feel left out? Especially, if your Caller is better at Squares than Rounds? Various answers have been tried—the Round Dance class, for instance. This works fairly well, in areas with good Round Dance teachers, but there does seem to be a general tendency, once you get into a class, to begin to take Rounds too seriously, and to rather brush aside those who, for one reason or another, can't get to a special class. The usual system around here has been to teach dances, rather than fundamentals, and to teach only those which can be learned in about ten minutes. This results in a lot of dancers who can do the popular Round-of-the-Month, but who still have to learn every step of every new Round the hard way, and who never learn to waltz at all. There are also Callers who are satisfied with teaching the Oklahoma Mixer to their beginners, only to have them find out later that is not on the program at Hoedowns any more.

Perhaps the answer is in some sort of short course in basic Round dances, presented along with each Beginner's course in Squares. If dancers could be taught the language of Rounds, along with the positions used and a few maneuvers like the turning two-step, it would be a simple matter for almost any Caller to introduce a new routine. There is nothing in "Mr. Guitar" to present any difficulty to a dancer who has learned the difference between a banjo position and

a side-car position (or box-car, as York put it), and yet that would be a very tough dance to teach to dancers who had to learn every step from scratch. Of course, the waltz is something else again. Maybe the best thing would be to teach no waltzes at all in the first course, but later, when dancers realized that something was lacking, offer a second short course in the waltz alone. I could name a number of prospects for such a course.

We won't go into the question of what sort of Rounds to teach, or how to teach them. As to programming, I personally like the idea of two Rounds between each set of Squares, one simple and one not so simple, instead of a long rest. I am not one who wants to dance all the time, and while I am

resting I like to see someone doing the newer Rounds, to see if I think they are worth pressuring my husband into learning. At least, this system gives you something to listen to during the breaks, and this brings up my last point—to a lot of us, the one thing above all others that makes a good Round Dancé, to dance or to sit and watch, is the music. No matter how well written, or how simple, or how beautiful, no Round will ever win my real approval unless the record is real music, well played, with the sort of lift dance music should have.

To all you many dancers, who attended our SQUAR RAMA after party, we want you to know we enjoyed hosting you and we want to especially thank the callers who really did themselves proud on the impromptu calling.

Now for the recent Fresno SQUAR-RAMA! First, and most important, Fresno wants to thank all her guests who attended and especially those who have attended year after year and brought new friends each time. She appreciates your loyalty.

One oft made comment was: "What a beautiful Convention Complex, but how come you changed from the Memorial Auditorium?" Answer. First, it was not available and second, the registrations showed that it couldn't possibly hold the crowd this year.

Those present Saturday evening heard the Mayor greet the audience and make apologies for any problems that existed and promised they (the problems) would be solved. He was sincere and they are determined to make the hall where you danced (Exhibit hall) or the Arena (hall with tiered seats) one of the best dancing areas in the state.

We thoroughly appreciate so many outsiders coming to us, after the Mayor's talk, and saying: "Forget your worries, there is no problem, where can anyone dance at these big affairs and find perfect conditions besides we are having a ball!"

However, the biggest problem was the floor; unfortunately where no trouble was expected. As a matter of interest and record the Convention Bureau and City Council actually spent \$30,000 for a special hard wood floor (movable) mostly just to accommodate this and future SQUAR RAMAS. There was much more flooring than you saw and danced upon that wasn't used because there wasn't time to lay it.

When trouble developed in unevenness two days and a night were spent trying to get what was used, even. All agreed it was a fine surface to dance on but it wasn't made to lay as directed. This is being corrected. The whole Convention Complex, and procedures of operation, being new, we assume it was natural for a few rough spots, not to have been anticipated—that will be ironed out.

At one stage of the activities there were two parking misunderstandings: In one instance there was an unused parking area that wasn't properly identified and in the other instance there were a few who obtained parking tickets that didn't realize the ticket entitled them to 3 days of parking and in case the lots couldn't accommodate them they were entitled to a full refund. Once again Fresno wishes to thank you for attending her annual party and hope, in spite of problems present, you enjoyed yourselves at the dances, workshops and after-parties and will return in '68. In the meantime we hope to see many of you at the Golden State Round-Up.

P.S. For any comments, good or bad, or suggestions, it would be appreciated if you would mail them to our Dancers Association (V.A.S.D.) to my address at head of the news column.

THANK YOU, FRESNO, FOR
A FINE SQUAR-RAMA...!!

Thanks to the SKIRTS & FLIRTS and their caller, JOHNNY CRAWFORD, for giving us an extra "party night" when they raided us recently. BILL FOWLER also guested and gave us some fine calling too... Our Beginner's Class joined us for Party Night, and the Club is looking forward to graduation in a few weeks, when we will add many fine dancers to our growing club... All 20 members who flew to Idylwild for the big doings by our L. A. Chapter are still flying high. The trip was ably handled by JOHN WILLIAMS... Don't forget our annual "Chicken Hop" on Sunday, May 7. Chicken dinner and dancing from 1 to 7; callers by the scores.

JUBILAIRES: We are pleased to have added PAUL & LYDIA GAMES, of the GADABOUTS to the membership roster of the Club. PAUL and LYLA will be a real asset to the Club, and we are glad to have them with us... The Club will be performing in the 9:30 spot on May 6, at the Silver State S/D Festival in Reno. Director GORDIE GUST has found a pleasing way to add round dancing to the routine without disturbing the square dance exhibition. This is a happy innovation and the Club is looking forward to using this method of combining both aspects of the square dance picture in future performances... Please remember the April 1st hoedown at Rogers Junior High, with BOB TRIPP as guest caller.

MELODY SQUARES... On our 4th Tuesday party night we had another packed house. Thank you all for coming. We also honored RALPH MOORE on his retirement, 43 years with Sunsweet. Wow! You deserve congratulations! Our 5th Anniversary dance was a sell-out and a huge success. Thanks to all involved, especially to BRUCE JOHN-

SON for a wonderful job of calling.

SEE SAWS... have had a very exciting month... It all started with the KALICO KATS inviting us to their party night in Daly City. Everyone got lost on the way there! In spite of everyone coming in late the KALICO KATS did a bang up job of making everything enjoyable. A big thanks again to the KALICO KATS! On Feb. 17 we graduated our adult class. Everyone had a real exciting evening. The following Friday the MAVERICKS asked us to join them in their party night. We had a ball dancing to the calling of JOHN LINDERMAN and JOE JOHN. Our thanks to the MAVERICKS for inviting us.

Our beginners have graduated with distinction, displaying their new skills in some demonstration squares featuring bags over their heads and eggs (they thought) on the floor.

TWILIGHTERS...sure enjoyed dinner and dancing at Gullivers Little Travelers in Walnut Creek twice in February. We had a nice Valentine's Party and all had plenty to eat but Fred, his dessert was still frozen so I understand.

Hope the SQUARENADERS will be able to make our April Dance.

ROLLING SQUARES...are looking forward to their joint hoedown with the BUZZIN CUZZINS. It is sure to be a success as our callers are DON SHOTWELL and BURLIN DAVIS...Our beginners class is coming along real good and soon there will be a graduation ceremony at the old dance hall.

UKIAH PROMENADERS have started the New Year on a busy schedule. The 1st Sat. dances have been well attended. The 11th Anniversary Dance on Feb. 4, with BUD GRASS, SKIP GRAHAM and ROGER MORRIS doing the calling for 35 squares of dancers, representing 23 clubs, coming from as far away as Stockton and Arcata and even Oregon. The after-party was reported to have been the best ever conducted...The Newer Dancers are having Party Nights on the 2nd Saturdays of each month with BUD GRASS calling...Friday night workshops are busy sessions with the advanced dancers helping the newer dancers. CIRCLE 'N SQUARES held their Valentine's hoedown on their regular 2nd Saturday at Monroe Clubhouse with an appropriate number of fourteen squares. Dancing was to the calls of one of our favorite callers, BOB PAGE, whose appearance we look forward to year after year. The hall was tastefully decorated in red and white with cupids and hearts in abundance to set the Valentine theme.

MARKWESTERNERS...had a most enjoyable month of February for dancing. Five squares of Club members traveled to Ukiah to dance with the PROMENADERS and help them celebrate their 11th Anniversary. ROGER MORRIS, BUD GRASS and SKIP GRAHAM called a wonderful dance. The newer dancers of the MARKWESTERNERS held a beginners dance in February and SKIP GRAHAM called a fine program to a full floor of 18 squares. Thirty couples went to the

Cloverdale Citrus Fair and received a \$25 prize for the most couples in attendance. The Festival dance was a success with LEE HELSEL and SKIP GRAHAM calling. After the dance a potluck dinner was held at the home of MARION & ED HACZELA in Cloverdale. To round out the month the Club enjoyed a fine evening of dancing to JACK LOGAN at their own monthly hoedown. Before the evening of dancing a cocktail party was held at the home of RALPH & LORETTE REINE, and then some of our members met JACK LOGAN and his club members at the Highland House in Santa Rosa for a dinner. The club is working hard on the Rose Festival Dance in May which is coming fast. See you all there.

PAIR-O-DICE SQUARES....Well MILT ADAMS and ERNIE CLOSE really did themselves proud when they called our 2nd Sat. Hoedown. If you failed to dance with these boys together you have been missing a real treat. We have danced to callers from here to Texas and these two are as good as any we have danced with yet. So if your club is looking for a lot of fun and a wonderful dance, get them to book these two fellows together.

CLUTCH BUSTERS...Eight families decided to take a day off for a snow trip to Calaveras to try a little skiing and toboggan riding, and would you believe it rained all day? Not to be deterred, however, they still got out and played in the snow and a good time was had by all. The FRANK LANE dance held by the STOMPERS on Feb. 4 was well-attended by CLUTCH BUSTERS with better than four squares showing up. Our own hoedown this month was a great success with BOB PAGE doing his usual excellent job. We noticed there were several people who

attended wearing badges which read: "Bob Page Fan Club." The refreshments of cream cheese with cherry topping pie made from SHIRLEY GERTSEN'S recipe was well received. The club had its February potluck with the beginners class which was chaired by the HARRISONS, and was great as always. The food proved again that not only are we endowed with good square dancers, but also some pretty fabulous cooks. The skit with SHIRLEY HOLDMAN as the teacher and several other club members as the pupils was well done, and as always the dancing was fun.

ANTIOCH AMBLERS have been traveling with their new dancers and having a really good time. During January they danced with CONCORD STOMPERS and the RIP SNORTERS beginners. DELTA DRIFTERS and ROGER MORRIS were the ingredients for a really good hoedown for our intermediate dancers here in Antioch. On Feb. 4, our advanced dancers were entertained by the STOMPERS and FRANK LANE. The next week the newer dancers showed up at Diablo Valley College to join the CONCORD REBELS, while the advanced dancers went on to San Pablo to enjoy DICK HOULTON... Feb. 18 our favorite local caller, SCOTTY SCOTT called at Downer Jr. High and BILL & BETTY FRASER, MARGARET & BILL TAYLOR, the WATKINS', OLSONS', and the QUICKS' went along to make sure he didn't get lonesome. Valentine's Day was celebrated by the AMBLERS with a beautiful cake and coffee. Welcomed two new members CAROL LYN and NORMAN HANSEN and several guests from the DELTA DRIFTERS the same evening. RUTH QUICK was congratulated with cards and a Happy Birthday song led by our caller, SCOTTY... To round up the month of February the AMBLERS were off to a dance with the JACKS & JENNYS and ROGER MORRIS.

RIPSNORTERS...Word has gotten out about the good cooks in the club. 50 people attended our monthly potluck and workshop, and, who feels like dancing after eating all that good food! Blessed events department. Club members SANDY & ED HAWLEY were blessed with their third child, little STEVIE; and HARRY & FRAN LUCAS became first-time grandparents. SUSAN CHRISTINE MERKEL was presented to them by daughter, SHARON. A big round of thanks to all who attended our beginners hoedown. Twenty-

two squares whirled away to six guest callers from the floor and our own KEN...Thanks to DUANE & MAY BEDDOES for an outstanding job in organizing this event. If this is any indication as to the future of square dancing we had better start looking for bigger halls. Just great! BOB FITZGERALD surprised his wife, LUCILLE, with a beautiful cake on her birthday which also happened to be our party night, so the club had a real party to celebrate that night. The BRADLEYS hosted a cioppino dinner at their house, and if you didn't bring your bib, you were in for trouble. But, how can you enjoy a cioppino dinner without being a little messy? An old-fashioned Valentine box social was held on Feb. 16 with FRAN LUCAS as Chairman. Valentine trees, place mats, and camellias decorated all the tables...Numbers were drawn for partners in sharing the box lunch. Gaily decorated boxes in Valentines and lace vied for a first prize, which went to JANE WEBB and EUNICE REESER. Election of officers coming up in February. A reminder too that our annual hoedown will be in April.

CONCORD REBELS have been busy as usual. Since our last report we have danced with the MUSTANGS, DELTA STOMPERS (we were delighted with a return visit from them at our Feb. dance) CONCORD STOMPERS, PEAT DUSTERS, DELTA DRIFTERS, ROLLING SQUARES, JACKS & JENNYS and the ANTIOCH AMBLERS. Wow, that sounds like just about everybody. A good representation of REBELS also showed up at Fresno with their usual high spirits and pranks. I heard that some of the "old timers" danced some of the "kids" under the table. The REBELS also participated in a new type of dance at Tioga Village with JIM FUSARO and PETE ENEA calling. Lastly we want to thank all of our friends for coming out to our Feb. dance and we hope you had as much fun as we did. Our recruits will graduate in March so look out for a REBEL invasion. We are real proud of them.

JACKS & JENNYS have had a busy Feb. First off was the STOMPERS FRANK LANE Dance. The couples attending had a great time. Next was the trip to the Red Barn, where AL PENNY called for the Napa BUZZ-STEPPERS. Club caravan included the HUGHES', CARTWRIGHTS, BERRYS, LEMONS, COLES, WILSONS, COOKS, THIBODEAUX, DON WARDLE, ESTHER NICH-

OLS and MILT KING. Everyone had an enthusiastically good time. Our anniversary hoedown was a huge success. There were thirty-two clubs represented. ROGER MORRIS called a terrific dance. He had the dancers going through their paces and really having a good time. BRIGHETTA LEMON'S decorations were colorful and original and BETTY STARK deserves a hand for refreshments. WES CARTWRIGHT, Pres., and FRANK JOHNSON, Vice Pres., welcomed everyone and distributed a host of door prizes to lucky winners. We were fortunate to celebrate two birthdays on workshop night (cake with our coffee) LUCILLE BERRY and TINO LEMON. Good to hear RUTH DE GUERRE is up and about again. Unexpected surgery had kept Twinkle Toes off her feet. We sure hope she gets back to the fun soon. Club members served coffee and cupcakes to the beginners class for Valentines. They are such a swell group of dancers we plan to do it every month.

GUYS & DOLLS have had a very busy month

during the short month of Feb. First of all we would like to welcome the following new members who have joined the club: ERNA SODER, RICHARD & IDA DOWNING, AL & ALLIE FAUST, TINA ALLEN, JIM & PAT READ. Our beginners are learning very rapidly and are looking forward to the beginner's shoedown which will be next month. If any of the neighboring clubs have newer dancers, bring them over and let's have a ball. Our club members have been busy attending the various hoedowns as follows: CONCORD STOMPERS with FRANK LANE; BUCKS & DOES with DICK HOULTON. All in all we feel as if the new year is really starting out with a bang and we are looking forward to many more good times in the months ahead.

CONCORD STOMPERS...Many thanks to all the dancers (40 squares) who turned out for the FRANK LANE dance. We already have him booked for next year...Would you believe the VonBEHRENS and the BROWNS flew down to Ventura and Edwards Air Force base and never mentioned square dancing?We are happy to welcome FRANK & DOTTIE HERNANDEZ back for round dance instructions. Visitors welcome to learn the new rounds when they come out...Clubs visited this last month are: BUCKS & DOES - BOB PAGE at the CLUTCHBUSTERS - and ROGER MORRIS at JACKS & JENNYS. It

seems like oldtimers night at the club's 19th Anniversary. Several of our dancers also danced at Gullivers in Pleasant Hill. Our own caller, PETE ENEA and JIM FUSARO did the honors.

SQUARE CIRCLE CLUB....on Feb. 25th held a hoedown which was a huge ball. Our guest caller, JIM McDONALD and our own JOHN FRERICHMANN, called to a large group of dancers who came for dancing and we really shook the old barn. The following clubs were represented: Castro Valley Rebels, Boots & Bonnets, Curli Q's, Eagle Squares, Valley Swingers, Squares & Flares, Tracy Twirlers and Berkeley Singles and a couple from Tuscon, Arizona who are visiting in the area. On Thurs. Feb. 23 our club was invited to the VALLEY SWINGERS party night and as usual we were given the red carpet treatment by JACK LOGAN and club, which is so typical with them. Thanks loads from all of us. 2/14 Newer dancers class night, we got into the spirit of the day and decorated our barn with all sorts of hearts, etc., many of which were made by the 2nd grade class of one of our members. We had heart-shaped cookies and other goodies—you guessed it, the class didn't work too hard but who wants to spoil a party. We are getting spring fever, as we have started cleaning and painting, etc., but nobody can find out who started the ball rolling, but if we do there could be a vacancy on the roster—it's work you know!

BAYWOOD PROMENAIRES will celebrate Saint Patrick's Day on March 17 by going to dinner and then on to the Palomares Playhouse to see the Chanticleer's Production of "Everybody Loves Opal." Look for our ad in Square Dance-Where? what a wonderful way to spend the Easter weekend.

FREMONT GOOFERS had a fairly quiet month in February, but were busy auditioning callers. The six couples that visited the COTTON PICKERS on their party night had a ball, and we only wish someone had had a

camera along, to photograph a certain president's reaction when the lights came on, after being in darkness for a few moments. Thanks, COTTON PICKERS, for a fun time. Our party night in February, a square of the Castro Valley REBELS visited us, and we had an enjoyable evening with them. Our new club caller was selected in February, and we extend a hearty welcome to HERB JACKSON and hope our Association will be a long and happy one.

In January our caller, LUTHER BOWERS, started another beginners class and has two squares of beginners so far.

KUNTRY KUZINS are busy as bee's preparing for their forthcoming 5th Anniversary on April 15. BEN & ESTELLA TUSI have their heads together to create the greatest of decorations. Refreshment chairman supreme NITA KIRZY can be counted on once again to come up with the greatest of taste treats. The KUZINS were happy to welcome back as active members, BOBBY & DOYLE HEUTON.

EAGLE SQUARES of Livermore had a Valentine theme for party night. Our beginners were invited and with some guests we had ten squares. Member BEN TURPIN was awarded a special badge by NONIE, which reads, "Moglia's Monster-Guest Caller." We are also very proud of our beginners and are looking forward to their graduation. We are also very happy to have our past presidents BOB & PHYLLIS BURTON back with us again. On the 25th three squares danced with the SQUARE CIRCLES. We enjoyed the calling of JIM McDONALD & JOHN FRERICHMANN.

FREMONT RUSTLERS are sorry to see KEITH PYLE take a five month leave of absence, as he is attending night classes for his credentials for teaching, and at the same time is teaching two nights a week at Merritt College, we will miss his calling, but our thanks to BOB HINKSTON for filling in. 1/21 attended the FARMERS & FARMERETTES beginners hoedown. FARMERS & FARMERETTES feel the first and most important thing is to express thanks from our club and club caller to each and every caller who has helped FRED during his illness by calling for our club, beginner's class and our beginner's hoedown. We appreciate their help very much. We are proud to introduce our new officers: Pres., DICK & SUE BASS; Vice Pres., MORRIS & MANETTE HALBERG; Secty., EVELYN & DON KILDEBECK; Treas., HERIE & RANDY BROEHAT; Delegate, BOB & AMILEE HACKETT; Alternate, DON & ARLENE WHEELER. We also are proud to introduce more new members, JOYCE & JIM GALBRIATH. Our beginners have reported that they are enjoying themselves. The first hoedown they attended was sponsored by the MAIN LINER JET SET club in San Mateo. Then the hoedown sponsored by the GOOFERS both were enjoyed immensely. They really got into the swing of it when on 1/21 they planned and conducted their own hoedown. We were so happy to see so many people turn out on such a rainy night. Thanks again to BOB PIKE and RAY SANCHEZ for calling at the beginner's class; to RONNIE GRIFITH and JACK EVANS who called for our beginners when they visited their beginners, and to JIM WESTERFIELD (our own club member) and BOB HINKSTON for calling for the club.

HOT TIMERS with a completely new club program, and a completely new caller, JOHN STRONG, held the first of their 1967 fourth Saturday party nights, on Jan. 28th, at Fremont Jr. High School in Seaside. A large turnout of dancers arrived to welcome JOHN and his lovely taw, EVELYN, who have now moved to become residents in Salinas. JOHN has been living in Santa Maria for several years, and a recent busi-

ness promotion brought them back to Monterey county—and are we glad! The second "party-night" of the HOT TIMERS was held on Feb. 25—this time a combine of callers JOHN STRONG and JEANNE MOODY of the Salinas HILLBILLIES.

HILLBILLIES were joyously happy with 15 squares turning out to celebrate their 4th anniversary hoedown on Feb. 11 at the Washington Junior High...The place was really swaying with the calling of BILL CASTNER...There were many out-of-town guests, BUCKLES & BOWS of Hollister, DO-C-DO'S from Vallejo, OUTER PACERS from Rohnert Park, BACHELORS & BACHELOR-ETTES from San Jose, and KNOTHEADS of San Luis Obispo. HOWARD LAWSON was at the mike, and club member, ARNOLD GANDER called a couple of tips, too...The following week; more than a square of COUNTRY SWINGERS drove up to San Jose and dropped in on KEN and his new class of little KATY-DIDS! He did his usual fine job of calling for our Fifth Birthday and we are all ready for another year of fun dancing... The Club followed their caller, GLEN BYLUND, to Castro Valley when he called for the Castro Valley REBELS recently. It was really a lively evening... Membership Report: Ron Haggerty was raised to Caller; Frank Brown of St. Helena and Vern Seagoe of Concord were re-instated as Callers; John Austin, Chuck Hall, Norm McLeod, and Roger Smith were raised to Jr. Callers; and, three Subscribing members were accepted: William Foross of Anaheim, Bernard Hague of Idaho, and W. F. Mossburg of Alaska. Bernice Batteate of Hayward changed her status from Teacher to Caller.

September Institute plans at this stage seem to indicate that the big event will be held at the Riverside Convention Center in Santa Cruz with Max Forsyth of Indiana as the Institute leader. Further details will be supplied by our newly elected Vice-President.

Ralph York announced that the next Association sponsored Newer Dancers Hoedown will be held the fifth Saturday in April at the Rancho School in San Pablo with a program designed to prepare the newer dancers for regular hoedown attendance. Black, Castner, and York will do the honors.

The election tally crew brought in the following results: Don Black, President; George Dreier, Vice-President; Bill Stringer, Membership Chairman.

Eileen Cullum and John Campbell had been elected by "white" ballot last month to the offices of Secretary and Treasurer, respectively.

The new Past-President, Don Shotwell, thanked his corps of officers and the membership at large for a successful year. The gavel was handed to the new president, Don Black whose first official act was to dismiss the gathering with a special note of thanks to Jim Hilton who had just presented a particularly outstanding workshop in variations of Teacup Chain.

NOTE: At my request, this will conclude my presentations of the activities of the Caller's Association in the august pages of this fine journal. My best wishes are extended to the Publicity Chairman who will appear next month. You good readers are not off the hook, however, because Ed Ferrario has asked that an article be submitted from time to time to express "The Callers Point of View" as perceived by yours truly.

MARIN S/D ASSOCIATION entertained 16 squares of Beginners and their club sponsors at Vallecito Junior High in Terra Linda on Feb. 11 to the joint calling of DAVE MILANO, JIM MORK and HARRY WHITLOCK, What a great combination!

MILL WHEELERS sent four couples to the Asilomar Institute sponsored by Sets-In-Order in early February, MADELINE & DAN

ALLEN, VELLA & CAROL BERRYMAN, JOYCE & HAL WELLS, and MILLIE & WALTER YOUNG. The club entertains at a 5th Thursday party on March 30, with JIM MORK at the mike.

CORNHUSKERS turned out in force, with most of their intermediate class dancers, for the Hoedown staged by the Marin Square Dance Association. The club opened a second beginner class in mid-February, since many of those in the existing class had friends who had shown an interest after it was too late to join the present class. The opening "gun" in the campaign was an old-fashioned pot-luck supper on Feb. 1. Eleven couples of newcomers joined in alternate tips with both club members and the present class of some four squares. Larkspur's Legion Hall was packed to the rafters! The new class now has been under way long enough to be looking forward to a Hoedown of their own.
